08/21/2009	405	ORDER DENYING 326 Motion for Leave to File Document. Reference is made to that order entered on August 5, 2009, Document 373, in which the magistrate judge addressed various sealing motions. The court has learned that one motion inadvertently was omitted from the scope of that order, specifically, plaintiffs motion to seal their opposition to defendants motion to quash a subpoena, Document 326. That motion, Document 326, is DENIED, and the document shall be filed without sealing. This ruling is STAYED pursuant to an earlier order filed as Document 376. Signed by Magistrate Judge Dennis H Inman on 8/21/2009. (FMM,) (Entered: 08/21/2009)
08/21/2009	406	ORDER denying 386 Motion for Leave to File Document and denying 387 Motion for Leave to File Document. The documents shall be filed without sealing. This order is STAYED pending the district judges ruling on the defendants objections to an earlier order of the magistrate judge of similar import. Signed by Magistrate Judge Dennis H Inman on 8/21/2009. (FMM,) (Entered: 08/21/2009)
08/25/2009	407	ORDER denying 384 Motion for a brief postponement of the class certification hearing on September 10, 2009. Signed by District Judge J Ronnie Greer on 8/25/2009. (RLC) (Entered: 08/25/2009)
08/26/2009		TO ALL ATTORNEYS: On June 30 defendants filed a motion to seal their memorandum in opposition to the Dairy Farmer plaintiffs' Motion for Class Certification (doc #345). The Court docketed that it had been received but we do

		NOT file anything until the motion to seal has been acted on. Although the parties have begun to file REDACTED documents along with the motion to seal, these defendants did NOT. The Mag. Judge DENIED the motion to file under seal and therefore the Court NEVER entered this on the docket. You need to file a redacted copy of your memorandum in opposition and call it the correct name - RESPONSE TO MOTION. For things to show on our motion report correctly you have to use RESPONSE TO MOTION and REPLY TO RESPONSE. There is a reply but there was NO response. Affidavits in Opposition were linked to both the Dairy Farmer plaintiffs' motion for class certification and the Retailers' motion. However, the Retailers' case number 2:07-cv-188 is the only number on the pleading. You CANNOT file affidavits as a response to a motion if that case number is NOT on your affidavit. Therefore, the affidavits filed in opposition of Dairy Farmer plaintiffs' motion will have that link cut because they only have 2:07-cv-188 on them. Also, affidavits are supposed to be IN SUPPORT of a document. ALL DOCUMENTS FOR CHAMBERS NEED TO HAVE THE DOCUMENT NO. ON THE FRONT ALONG WITH THE NAME OF THE DOCUMENT.(EBM,) (Entered: 08/26/2009)

08/27/2009		TO Paul Friedman and Richard Wyatt: Mr. Wyatt filed a MEMORANDUM (doc. #291) in Support of Motion 290 to Certify Class filed by Fidel Breto, Food Lion, LLC. Since it is a redacted copy, he needs to send the UNREDACTED copy as a pdf. to the Court on a disk. Mr. Friedman filed two Affidavits (docs. 368 & 369) in Opposition to Motion to file under seal a memorandum in opposition to the motion to certify class. The Judge needs UNREDACTED COPIES OF THESE AFFIDAVITS IMMEDIATELY and the Clerk's office needs an unredacted disk in pdf for BOTH of these affidavits. (EBM,) (Entered: 08/27/2009)
08/27/2009		TO ALL ATTORNEYS: Docs. 342, 343, & 344 are the same docs. as 368, 369 & 370. The Court was provided with UNREDACTED copies of 342, 343, 344 and also a disk with the documents on it. However, it was not noted that they were re-filed as 368, 369 & 370. Since we have them, they do NOT need to be resent. (EBM,) (Entered: 08/27/2009)

09/25/2009	467	MEMORANDUM OPINION AND ORDER. For the reasons set forth in this memorandum, the Magistrate Judges order of August 5, 2009, [Doc. 373] is VACATED as to documents 341 , 345 , 354 , 359 and that portion of document 360 which relates to the dairy farmer plaintiffs motion to unseal their class certification filings and those matters will be RE-REFERRED to the Magistrate Judge for further consideration consistent with the guidance provided by this opinion and the procedure set forth in the Courts standing order of September 22, 2009. The motion of the Times and NPR, [Doc. 408] for unsealing of judicial documents is also referred to the Magistrate Judge for disposition. For the same reasons, the Magistrate Judges order of August 21, 2009, [Doc. 406], is VACATED and documents 386 and 387 are likewise re-referred to the Magistrate Judge. Furthermore, because these matters are being RE-REFERRED to the Magistrate Judge the objections of the defendants and non-parties Maryland & Virginia, Beshears, Noll, Meyer and DMA, (Docs. 397 , 400 , 401 , 402 and 403) and the defendants appeal of the Magistrate Judges orders of August 21, 2009, [Doc. 436], are OVERRULED as MOOT. 09/25/2009	468	ORDER that the Retailer Plaintiffs have moved to unredact certain excerpts from, and to unseal certain exhibit to, the Retailer Plaintiffs class certification filings Doc. 422 . The defendants have objected to the motion. Doc. 459 . The procedure imposed by the district judge in his Standing Order, Doc. 466 , will be utilized with respect to the instant motion. The objecting defendants, by 12:00 noon on October 2, 2009, shall supply the information referenced in paragraph 3) of the Standing Order, and in the format required by the paragraph. The court is aware that October 2, 2009, is less than 10 days from the filing date of this order. However, in their objection which was filed on September 17, 2009, the defendants indicated their intent to respond further in the format of what was at that time Judge Greers contemplated order, which of course was filed on September 22, 2009. By all rights, the objecting defendants 10 days began running, at the latest, on September 22, 2009. Signed by Magistrate Judge Dennis H Inman on 9/25/2009. (FMM,) (Entered: 09/25/2009)

10/02/2009	473	ORDER re 408 Motion to Intervene by the New York Times and National Public Radio. To the extent that the motion asks permission to intervene in this action for the aforesaid purposes, the requested relief is essentially a fait accompli and the motion is therefore GRANTED. With respect to that portion of the motion that requests that sealed documents in this case be unsealed (by affirming the magistrate judges order), that issue effectively has already been decided by the district judge by his Memorandum Opinion and Order entered on September 25, 2009, Document 467 , and his Standing Order filed on September 22, 2009, Document 466 . Therefore, regarding the movants request that the magistrate judges earlier order be affirmed, or that sealed documents be unsealed, the motion is MOOT. After listening to the statements and argument of the attorneys, the court is convinced that DFA has fairly and reasonably complied with the discovery requests, and to order DFA to do anything further would be unproductive and therefore unnecessary. This portion of the motion to compel is DENIED. The motion to compel is granted to the extent that the defendants will supplement their interrogatory answers by providing pricing data for 2008 and 2009. Although the equities presently favor the plaintiffs, there has to be an end to the defendants obligation to furnish this information. That cutoff will be December 31, 2010, in view of the current trial date in March 2011. Signed by Magistrate Judge Dennis H Inman on 2/4/2010. (FMM,) (Entered: 02/04/2010)
02/04/2010	691	ORDER granting 672 Motion to Compel, as qualified hereafter. DFA shall have the option of answering the interrogatories as propounded to it, OR it shall designate a 30(b)(6) witness who shall submit to an oral deposition by the movants, at which the deponent will be expected to bring with him copies of all relevant underlying documentation as requested in the interrogatories. Defendants will make their election in this regard by February 15, 2010, and shall communicate that election via e-mail to counsel for the movants. If defendants elect to designate a 30(b)(6) witness, that deposition shall take place by March 1, 2010. If DFA elects to answer the interrogatories as propounded, those answers shall be submitted by the same date. Signed by Magistrate Judge Dennis H Inman on 2/4/2010. (FMM,) (Entered: 02/04/2010)
