**PLAINTIFFS' MOTION TO AMEND
CLASS CERTIFICATION BRIEFING SCHEDULE**

Plaintiffs, by Interim Co-Lead Counsel, respectfully move the Court for a 90-day enlargement of the class certification briefing schedule set forth in the Court's October 31, 2006 Case Management Plan ("CMP") to accommodate delays in the discovery process. In support of this Plaintiffs state as follows:

1. Under the CMP, Plaintiffs are to file their Motion for Class Certification, supporting Brief, and supporting materials on or before March 1, 2006; Defendants are to file their Response and supporting materials on or before June 1, 2006; and Plaintiffs' Reply is due on or before September 1, 2006. CMP, pp. 15-16.

2. Although Plaintiffs have served written discovery that includes requests related to class certification issues, the obligation to respond to discovery is presently limited to document requests seeking certain classes of documents. *See*, November 28, 2005 Order limiting discovery.

3. All Defendants have agreed to produce certain documents, but each Defendant has deferred production pending the Court's entry of a protective order addressing the issue of confidentiality. The parties have submitted proposed protective

orders for the Court's consideration, and have briefed the minor distinctions between their proposals.

4. At this time, the Plaintiffs have not had the opportunity to obtain any documents from the Defendants in response to discovery, and are therefore in need of additional time to prepare their Motion for Class Certification and supporting brief. In light of the large volume of documents Plaintiffs anticipate receiving and analyzing, Plaintiffs propose a 90-day enlargement of the entire class certification briefing schedule included in the CMP, as follows:

1. Plaintiffs shall file their Motion for Class Certification and supporting Brief on or before **June 1, 2006**. Plaintiff shall also file supporting materials on that date, including expert disclosures and reports, to the extent possible in light of defendants' discovery responses as of February 15, 2006.
2. Defendants shall file their response to Plaintiffs' Motion for Class Certification on or before **September 1, 2006**. Defendants shall also file supporting materials on that date, including expert disclosures and reports, to the extent possible in light of plaintiffs' discovery responses as of May 18, 2006.
3. Plaintiffs shall file their reply in support of class certification on or before **December 1, 2006**.

The remainder of Section XV.B. should remain unchanged.

4. Defendants do not oppose the enlargement of time and revised schedule proposed herein.

WHEREFORE, Plaintiffs request that the Court enter an Order approving the 90-day enlargement of the class certification briefing schedule set forth above and amending the CMP to reflect the enlargement and revised schedule.

Dated: February 23, 2006
