MDL No. 1290 (TFH)
Misc. No. 99ms276
Judge Thomas F. Hogan
Case No: 01-2646 (TFH)

Case No: 02-1299 (TFH)

**DECLARATION OF JUSTIN MCLEAN
January 14, 2013**

I, Justin McLean, declare as follows:

1. I am a Managing Principal of Analysis Group, Inc., a consulting firm specializing in microeconomic, financial and accounting analysis. I assisted in the preparation of the previously submitted Expert Report of Dr. Saha dated April 19, 2004, Expert Rebuttal Report of Dr. Saha dated June 11, 2004, (collectively, the “Saha Reports”) and Opposition to Defendants’ Motion for Remittitur Under 59(e) (“2005 Remittitur”) executed by Dr. Saha on July 6, 2005.¹ I am thus very familiar with the methodology used by Dr. Saha in calculating the damages set forth in the Saha Reports, as well as the methodology used to calculate the 2005 Remittitur. I also provided deposition testimony on May 14, 2005 regarding data, programming, and damages calculation issues related to the Saha Reports.
2. On June 29, 2011; July 28, 2011; August 4, 2011; and June 19, 2012, I filed Declarations that identified the specific damages claimed in the Saha Reports and presented at trial for certain self-funded customers. In this Declaration, I have been asked by Counsel for the Plaintiffs to identify the specific damages claimed in the Saha Reports and presented at trial for the self-funded customers as set forth in Exhibits 1 through 3. The specific self-funded customers for whom I have been asked to calculate damages include some self-funded customers contained in my previous Declarations as well as certain additional self-funded customers.

¹ While at Analysis Group, I have also performed numerous damage studies across a wide variety of industries. I have a Master of Science degree in industrial administration with a concentration in finance and entrepreneurship from Carnegie Mellon University and a Bachelor of Science in economics from Swarthmore College. A copy of my curriculum vitae is attached as Appendix A.

Confidential – Subject to Protective Order

3. The data used in my Declarations for these remittitur calculations is the same Plaintiffs' claims data used in the Saha Reports and 2005 Remittitur. This data, which includes information on group numbers, prescriptions, expenditures, copayments, dispensing fees, coinsurance, deductibles and sales tax has remained resident on Analysis Group computer servers since its production by Counsel and use under Dr. Saha's direction in the Saha Reports and 2005 Remittitur. Additionally, my testimony of May 14, 2005 addressed, in part, the computer program embodying the Saha Reports methodology.
4. The damages methodology applied in the Saha Reports presented aggregate damages figures based on data provided by Plaintiffs for reimbursement claims. These claims were associated with various group numbers that included premium accounts as well as self-funded accounts for BCBS Massachusetts, BCBS Minnesota, and HCSC (BCBS Texas).² Here, I have been asked to analyze the damages for selected self-funded customers. This customer-based damages calculation is consistent with the methodology contained in the Saha Reports and identical to the methodology contained in the 2005 Remittitur.
5. I have been provided the customer names and associated group numbers on which to perform these calculations by Counsel. Accordingly, I have re-calculated the Saha Report damages figures presented at trial on a customer-by-customer basis for the self-funded customers listed on these exhibits. I present the results of these calculations for the specified self-funded customers for BCBS Massachusetts in Exhibit 1, for BCBS Minnesota in Exhibit 2, and for HCSC (BCBS Texas) in Exhibit 3.

² The damages figures presented at trial for Federated and HCSC Illinois included only "premium" accounts.

Confidential – Subject to Protective Order

6. The sum of the damages claimed for these specified self-funded customers for each of these entities is:

**Damages Associated With
Specified Plaintiff Customers**

	Lorazepam	Clorazepate	TOTAL
BCBS Massachusetts	\$764,620	\$165,123	\$929,743
BCBS Minnesota	\$398,263	\$155,008	\$553,271
HCSC (BCBS Texas)	\$105,952	\$56,701	\$162,653

7. I declare under penalty of perjury under the laws of the United States of America that the foregoing statements are true and correct, and that I executed this Declaration on January 14, 2013.
