12/02/2015	983	CLERK'S NOTICE: The Honorable Yvonne Gonzalez Rogers referred Plaintiffs' Motion to Remove and Substitute Certain Class Representatives to Magistrate Judge Donna M. Ryu on 10/02/2015. Judge Ryu held a hearing on the matter on 10/30/2015. Plaintiffs' Motion to Remove and Substitute addressed whether Plaintiffs may substitute class representatives and if so, the circumstances under which substitution would be appropriate, including whether the departing class representatives' claims should be dismissed with or without prejudice. Judge Ryu will issue a report and recommendation on Plaintiffs' motion. However, to the extent Plaintiffs sought to add new class representatives, the court ordered Plaintiffs to file a motion for leave to amend the complaint, which Plaintiffs filed on 11/30/2015. Since this motion will likely raise issues regarding the merits of the putative class claims and defenses, it should be noticed before the district court. <i>(This is a text-only entry generated by the court.
