07/11/2007	105	MINUTE entry before Judge James B. Moran :We have today issued a Memorandum Opinion and Order granting defendants summary judgment on Counts II and V 47 . We earlier denied a motion to dismiss Counts I and III, but solely due to the legal conclusion that, conceptually, a relevant market could be defined by trademarks. Defendants further refined their arguments in subsequent motions, but Counts I and III survived. Given the ruling today, we are uncertain whether or not those counts continue to survive. We schedule a status conference for 7/17/2007 at 09:15 AM. to consider how best to resolve that issue.Mailed notice (ldg,) (Entered: 07/11/2007)
