Forward-Looking Statements

This communication contains "forward-looking statements". Examples of forward-looking statements include information concerning Hertz's and Dollar Thrifty's respective outlooks, anticipated revenues and results of operations, as well as any other statement that does not directly relate to any historical or current fact. These forward-looking statements often include words such as "believe," "expect," "project," "anticipate," "intend," "plan," "estimate," "seek," "will," "may," "would," "should," "could," "forecasts" or similar expressions. These statements are based on certain assumptions that each of Hertz and Dollar Thrifty have made in light of their experience in the industry as well as their perceptions of historical trends, current conditions, expected future developments and other factors that Hertz and Dollar Thrifty believe are appropriate in these circumstances. We believe these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and our actual results could differ materially from those expressed in the forward-looking statements due to a variety of important factors, both positive and negative.

Among other items, such factors could include: Hertz's ability to obtain regulatory approval for and to consummate an acquisition of Dollar Thrifty; the risk that expected synergies, operational efficiencies and cost savings from a Dollar Thrifty acquisition may not be fully realized or realized within the expected time frame; the risk that unexpected costs will be incurred in connection with the proposed Dollar Thrifty transaction; the retention of certain key employees of Dollar Thrifty may be difficult; and the operational and profitability impact of divestitures required to be undertaken to secure regulatory approval for an acquisition of Dollar Thrifty. Additional information concerning these and other factors can be found in Hertz's filings and Dollar Thrifty's filings with the Securities and Exchange Commission, including Hertz's and Dollar Thrifty's most recent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

Hertz and Dollar Thrifty therefore caution you against relying on these forward-looking statements. All forward-looking statements attributable to Hertz, Dollar Thrifty or persons acting on their behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and Hertz and Dollar Thrifty undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
