**DECISION AND ORDER**  
**DOCKET NO. C-4667**

**DECISION**  
**[Public Record Version]**

The Federal Trade Commission (“Commission”) initiated an investigation of the proposed acquisition by Staples, Inc. (“Staples”) and its affiliates, whose owner is Sycamore Partners II, L.P. (“Sycamore”), of all of the outstanding shares of common stock of Essendant Inc., (“Essendant”), collectively “Respondents.” The Commission’s Bureau of Competition prepared and furnished to Respondents a draft of the Complaint, which it proposed to present to the Commission for its consideration. If issued by the Commission, the draft Complaint would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45.

Respondents and the Bureau of Competition executed an agreement (“Agreement Containing Consent Order” or “Consent Agreement”) containing (1) an admission by Respondents of all the jurisdictional facts set forth in the draft Complaint, (2) a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in the draft Complaint, or that the facts as alleged in the draft Complaint, other than jurisdictional facts, are true, (3) waivers and other provisions as required by the Commission’s Rules, and (4) a proposed Decision and Order.

The Commission considered the matter and determined that it had reason to believe that Respondents have violated the said Acts, and that a complaint should issue stating its charges in that respect. The Commission accepts the executed Consent Agreement and places it on the public record for a period of 30 days for the receipt and consideration of public comments. Now, in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission issues its Complaint, makes the following jurisdictional findings, and issues the following Decision and Order (“Order”):

1. Respondent Sycamore is a limited partnership organized, existing, and doing business under, and by virtue of, the laws of the Cayman Islands, with its executive offices and principal place of business located at 9 West 57<sup>th</sup> Street, 31<sup>st</sup> floor, New York, New York 10019.
2. Respondent Staples is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of Delaware, with its executive offices and principal place of business located at 500 Staples Drive, Framingham, Massachusetts 01702.
3. Respondent Essendant is a corporation organized, existing, and doing business under, and by virtue of, the laws of the State of Delaware with its executive offices and principal place of business located at One Parkway North Boulevard, Suite 100, Deerfield, Illinois 60015.
4. The Federal Trade Commission has jurisdiction over the subject matter of this proceeding and over Respondents, and the proceeding is in the public interest.

- F. If at any time the Commission determines that the Monitor has ceased to act or failed to act diligently, or is unwilling or unable to continue to serve, the Commission may appoint a substitute Monitor, subject to the consent of Respondents, which consent shall not be unreasonably withheld:
  - 1. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of the substitute Monitor within 5 days after notice by the staff of the Commission to Respondents of the identity of any substitute Monitor, then Respondents shall be deemed to have consented to the selection of the proposed substitute Monitor; and
  - 2. Respondents shall, no later than 5 days after the Commission appoints a substitute Monitor, enter into an agreement with the substitute Monitor that, subject to the approval of the Commission, confers on the substitute Monitor all the rights, powers, and authority necessary to permit the substitute Monitor to perform his or her duties and responsibilities pursuant to this Order on the same terms and conditions as provided in this Paragraph III.
- G. The Commission may on its own initiative or at the request of the Monitor issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of this Order.

#### **IV. Prior Notice**

**IT IS FURTHER ORDERED** that, for a period of 10 years from the date this Order is issued, Respondents shall not, without providing prior written notification ("Notification") to the Commission in the manner described in this paragraph, acquire directly or indirectly, through subsidiaries or otherwise, any Person engaged in selling Office Products directly or indirectly to any wholesaler, distributor, or reseller of Office Products or to Office Products End Users in the United States, or any Ownership Interest, in whole or in part, in such Person ("To-Be-Acquired Person"), *provided, however*, that prior notification shall not be required under Paragraph IV of this Order for a transaction for which notification is required to be made, and has been made, pursuant to Section 7A of the Clayton Act, 15 U.S.C. § 18a. With respect to the Notification:

- A. Notification required by this Paragraph shall contain:
1. The Notification and Report Form set forth in the Appendix to Part 803 of Title 16 of the Code of Federal Regulations as amended, and shall be prepared and transmitted in accordance with the requirements of that Part, except that no filing fee will be required for any such Notification, Notification shall be filed with the Secretary of the Commission, Notification need not be made to the United States Department of Justice, and Notification is required only of Respondents and not of any other party to the transaction;
  2. The name, headquarters address, telephone number, and the name of a contact person of the To-Be-Acquired Person;
  3. A description of the proposed acquisition and the assets to be acquired, and the acquisition price;
  4. If acquiring less than 100 percent ownership interest in a To-Be-Acquired Person, Respondents' plans if any, to acquire additional ownership interest in the future;
  5. All documents Relating To communications between Respondents and the To-Be-Acquired Person;
  6. A list of the top 20 customers and top 20 vendors of the To-Be-Acquired Person and the Respondents; and
  7. All documents Relating To the proposed acquisition.

*Provided, however,* that Notification shall not be required for acquisitions resulting in total holdings of an Ownership Interest of 10 percent or less of a To-Be-Acquired Person.

- B. Respondents shall provide the Notification to the Commission at least 30 days prior to consummating the transaction (hereinafter referred to as the "first waiting period"). If, within the first waiting period, representatives of the Commission make a written request for additional information or documentary material (within the meaning of 16 C.F.R. § 803.20), Respondents shall not consummate the transaction until 30 days after submitting such additional information or documentary material.
- C. Early termination of the waiting periods in this Paragraph may be requested and, where appropriate, granted by letter from the Bureau of Competition.

## V. Compliance Reports

**IT IS FURTHER ORDERED** that:

- A. Respondents shall notify Commission staff via email at [bccompliance@ftc.gov](mailto:bccompliance@ftc.gov) of the Acquisition Date no later than 5 days after the Acquisition Date; and
- B. Respondents shall submit verified written reports (“compliance reports”) in accordance with the following:
  - 1. An interim compliance report 30 days after the Order is issued, and every 90 days thereafter until one year after the date this Order is issued, at which time Respondents shall submit reports in accordance with Paragraph V.B.2;
  - 2. Annual compliance reports one year after the date this Order is issued, and annually for the next nine years on the anniversary of that date; and
  - 3. Additional compliance reports as the Commission or its staff may request.
- C. Each compliance report shall set forth in detail the manner and form in which Respondents intend to comply, are complying, and have complied with this Order. Each compliance report shall contain sufficient information and documentation to enable the Commission to determine independently whether Respondents are in compliance with the Order. Conclusory statements that Respondents have complied with their obligations under the Order are insufficient. Respondents shall include in their reports, among other information or documentation that may be necessary to demonstrate compliance, a full description of the measures Respondents have implemented or plan to implement to ensure that they have complied or will comply with each paragraph of the Order. Respondents shall retain copies of all material written communications, as well as all non-privileged internal memoranda, reports, and recommendations concerning completing their obligations under the Order for a period of 10 years, and shall provide copies of those records to Commission staff upon request.
- D. Each compliance report shall be verified in the manner set forth in 28 U.S.C. § 1746 by the Chief Executive Officer or another officer or employee specifically authorized to perform this function. Respondents shall submit an original and 2 copies of each compliance report as required by Commission Rule 2.41(a), 16 C.F.R. § 2.41(a), including a paper original submitted to the Secretary of the Commission and electronic copies to the Secretary at [ElectronicFilings@ftc.gov](mailto:ElectronicFilings@ftc.gov) and to the Compliance Division at [bccompliance@ftc.gov](mailto:bccompliance@ftc.gov).
- E. Respondents shall provide a copy of each compliance report to the Monitor at the same time that they submit compliance reports to the Commission and to the Compliance Division.

## **VI. Change in Respondent**

**IT IS FURTHER ORDERED** that each Respondent shall notify the Commission at least 30 days prior to:

- A. Its proposed dissolution;
- B. Its proposed acquisition, merger, or consolidation; or
- C. Any other change in the Respondent, including assignment and the creation, sale, or dissolution of subsidiaries, if such change may affect compliance obligations arising out of this Order.

## **VII. Access**

**IT IS FURTHER ORDERED** that, for purposes of determining or securing compliance with this Order, and subject to any legally recognized privilege, upon written request and 5 days' notice to the relevant Respondent, made to its principal place of business as identified in this Order, registered office of its United States subsidiary, or its headquarters office, the notified Respondent shall, without restraint or interference, permit any duly authorized representative of the Commission:

- A. Access, during business office hours of the Respondents and in the presence of counsel, to all facilities and access to inspect and copy all business and other records and all documentary material and electronically stored information as defined in Commission Rules 2.7(a)(1) and (2), 16 C.F.R. § 2.7(a)(1) and (2), in the possession or under the control of the Respondents related to compliance with this Order, which copying services shall be provided by the Respondents at the request of the authorized representative of the Commission and at the expense of the Respondents; and
- B. To interview officers, directors, or employees of the Respondents, who may have counsel present, regarding such matters.

## Appendix F: Monitor Agreement

### MONITOR RETENTION AGREEMENT

This Monitor Agreement ("Monitor Agreement") entered into on October 26, 2018 between Theodore Banks ("Monitor") and Staples, Inc. ("Staples") provides as follows:

**WHEREAS** the United States Federal Trade Commission (the "FTC") has accepted or will shortly accept for public comment an Agreement Containing Consent Orders, containing a proposed Decision and Order ("Order"), which, among other things, (i) would require Staples to implement a "firewall" restricting its use of confidential information of Essendant, Inc. ("Acquired"), as defined in the Decision and Order, (ii) implement an effective compliance program regarding provisions of the Order, and (iii) contemplates the appointment of a Monitor to monitor Staples' compliance with its obligations under the Order;

**WHEREAS** the FTC may appoint Theodore Banks as Monitor pursuant to the Order;

**WHEREAS** the Order further provides that Staples shall execute an agreement, subject to the prior approval of the FTC, that confers all the rights and powers necessary to permit the Monitor to monitor Staples' compliance with the terms of the Order; and

**WHEREAS** the parties to this Monitor Agreement intend to be legally bound, subject only to the FTC's approval of this Agreement.

**NOW, THEREFORE**, the parties agree as follows:

All capitalized terms used in the Agreement and not specifically defined herein shall have the respective definitions given to them in the Order.

- A. **Monitor's Responsibilities.** The Monitor shall be responsible for monitoring Staples' compliance with its obligations as set forth in the Order ("Monitor's Responsibilities"). In so doing, the Monitor shall act in consultation with the FTC or its staff and shall serve as an independent third party and not as an employee or agent of the Staples or the FTC. The Monitor shall have all rights, duties, powers and authorities required by the Order, and nothing in the Monitor Agreement shall change, amend, modify or otherwise limit those rights, duties, powers, and authorities.
- B. **Access to Relevant Information and Facilities.** Subject to any demonstrated legally recognized privilege, the Monitor shall have full and complete access to the personnel, books and records of Staples kept in the ordinary course of business, facilities, technical information related to Staples' compliance with its obligations under the Order and such other relevant information as the Monitor may reasonably request.

Staples shall cooperate with any reasonable request of the Monitor. The Monitor shall give Staples reasonable written notice of any request for such access or such information and shall attempt to schedule any access or requests for information in such a manner as will not unreasonably interfere with Staples' operations. At

the request of the Monitor, Staples shall promptly arrange meetings and discussions, including tours of relevant facilities, at reasonable times and locations between the Monitor and employees of Staples who have knowledge relevant to the proper discharge of the Monitor's responsibilities under the Order.

- C. Compliance Reports. Staples shall provide the Monitor with copies of all compliance reports filed with the FTC in a timely manner, but in any event, no later than five (5) days after the date on which Staples files such report with the FTC.
- D. Additional Personnel. Staples agrees that, to the extent authorized by the Order, the Monitor shall have the authority to employ, at the expense of the Staples, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's Responsibilities.
- E. Monitor's Obligations. The Monitor shall:
  - 1. Carry out the Monitor's Responsibilities, including submission of periodic reports to the FTC or its staff concerning performance by Staples of its obligations under the Order, and any additional written reports as may be requested by the FTC or its staff;
  - 2. Maintain the confidentiality of all non-public information, including Acquired's Commercially Sensitive Information, provided to the Monitor by Staples, Acquired, any supplier or customer of the Staples, Acquired, the FTC, or FTC staff in connection with the Monitor's Responsibilities ("Confidential Information"). Such Confidential Information shall be used only for the purpose of discharging the Monitor's obligations pursuant to this Monitor Agreement and not for any other purposes, including, without limitation, any other business, scientific, technological, or personal purpose. The Monitor may only disclose Confidential Information to:
    - a. Persons employed by or working with the Monitor under this Monitor Agreement and who have executed a confidentiality agreement consistent with the provisions of this Agreement;
    - b. Persons employed by Staples that are entitled to have access to such Confidential Information;
    - c. FTC staff that are working on this matter; or
    - d. Persons employed by Acquired that are entitled to have access to such Confidential Information.
  - 3. Maintain a record and inform the FTC or its staff of all persons to whom Confidential Information related to this Monitor Agreement has been disclosed;
  - 4. Require any consultants, accountants, attorneys, and any other representatives and/or assistants retained by the Monitor to assist in carrying out the Monitor's Responsibilities to execute a confidentiality agreement that requires such third parties

to treat Confidential Information with the same standards of care and obligations of confidentiality to which the Monitor must adhere under this Monitor Agreement;

5. Maintain the confidentiality for a period of ten (10) years after the termination of this Monitor Agreement, of all other aspects of the performance of the Monitor's Responsibilities and not disclose Confidential Information relating thereto except as required by law, or as may be permitted by Staples. In the event the Monitor is requested pursuant to subpoena or other legal process to produce any documents or to provide testimony relating to this matter in judicial or administrative proceedings to which the Monitor is not a party, Staples shall reimburse the Monitor at standard billing rates for all professional time and expenses, including reasonable attorneys' fees, incurred in preparing for and responding to requests for documents and providing testimony;
6. Upon termination of the Monitor's duties under this Monitor Agreement, the Monitor shall consult with FTC staff regarding disposition of any written and electronic materials (including materials that Staples provided to the Monitor) in the possession or control of the Monitor that relate to the Monitor's duties, and the Monitor shall dispose of such materials, which may include sending such materials to the FTC staff, as directed by the FTC staff. In response to a request by Staples to return or destroy materials that Staples provided to the Monitor, the Monitor shall inform FTC staff of such request and, if the FTC staff does not object, shall comply with the Staples' request. Nothing herein shall abrogate the Monitor's duty of confidentiality, which includes an obligation not to disclose any non-public information obtained while acting as a Monitor.

For the purpose of this Monitor Agreement, information shall not be considered confidential or proprietary to the extent it is or becomes part of the public domain (other than as a result of any action by the Monitor or by any employee, agent, affiliate or consultant of the Monitor), or to the extent that the recipient of such information can demonstrate that such information was already known to the recipient at the time of receipt from a source other than the Monitor, Staples, or any director, officer, employee, agent, consultant or affiliate of the Monitor or Staples, when such source was not known to the recipient after the due inquiry to be restricted from making such disclosure to such recipient.

- F. Monitor Payment. Staples will pay the Monitor for services rendered by the Monitor and other employees performing services pursuant to this Agreement in accordance with the fee schedule listed on Schedule A to this Agreement. In addition, Staples will pay: (a) out-of-pocket expenses reasonably incurred by the Monitor in the performance of the Monitor's duties; and (b) fees and disbursements reasonably incurred by such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's duties and responsibilities hereunder. The Monitor shall invoice Staples monthly, including details and an explanation of all matters for which the Monitor submits an invoice to Staples. Staples shall pay such invoices within thirty (30) days of receipt. At its own expense, Staples may retain an

independent auditor to verify such invoices. The Monitor and Staples shall submit any disputes about invoices to the FTC for assistance in resolving such disputes.

- G. Monitor's Indemnification and Limitation of Liability. Staples shall indemnify and hold harmless the Monitor against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Monitor's Responsibilities, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim whether or not resulting in any liability, except to the extent that such liabilities, losses, damages, claims, or expenses result from gross negligence, willful misconduct, or bad faith by the Monitor. In addition, the parties shall not be liable to each other for any consequential, incidental, special or punitive damages, nor shall the Monitor be liable for direct compensatory damages in excess of the fees actually received by the Monitor for the performance of services hereunder.
- H. Disputes. In the event of a disagreement or dispute between Staples and the Monitor concerning Staples' obligations under the Order, and, in the event that such disagreement or dispute cannot be resolved by the parties, either party may seek the assistance of the staff of the FTC in charge of compliance.
- I. Conflicts of Interest. If the Monitor becomes aware during the term of this Monitor Agreement that the Monitor has or may have a conflict of interest that may affect or could have the appearance of affecting performance by the Monitor of any of the Monitor's Responsibilities, the Monitor shall immediately inform the Staples and FTC staff of any such conflict. The Monitor may accept other retentions during the term of this Monitor Agreement and thereafter, provided that, during the pendency of this Monitor Agreement, the Monitor agrees not to accept any other engagement which would result in the Monitor working in a position directly adverse to the FTC or Staples in any substantially related matter.
- J. Standard of Care. In the performance of the Monitor's Responsibilities, the Monitor shall exercise the standard of care and diligence that would be expected of a reasonable person in the conduct of the person's own business affairs.
- K. Term. This Monitor Agreement shall terminate no later than: (i) the date set forth in the relevant provisions of the Order; (ii) the date on which the FTC appoints a substitute monitor pursuant to the Orders; (iii) the date Staples notifies the Monitor that Staples has received a notification from FTC staff that the Monitor has ceased to act or failed to act in a manner consistent with the Monitor's responsibilities under the Orders; or (iv) with at least thirty (30) days advance notice to be provided by the Monitor to Staples and to the FTC, upon resignation of the Monitor.
- L. Termination. In the event that FTC staff notifies Staples that the Monitor has ceased to act or failed to act in a manner consistent with the Monitor's responsibilities under the Order, Staples shall be entitled to immediately terminate this Monitor Agreement.
- M. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall in all respects be governed by the substantive laws of the State of Delaware,

including all matters of construction, validity and performance. The Order shall govern this Monitor Agreement and any provisions herein which conflict or are inconsistent with it may be declared null and void by the FTC and any provision not in conflict shall survive and remain a part of this Monitor Agreement.

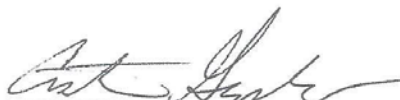

- N. Not an Attorney-Client Relationship. Staples and Monitor acknowledge that the relationship formed through this Agreement is not that of attorney/client and that no attorney/client privileges will apply to any communications between them.
- O. Disclosure of Information. Nothing in this Monitor Agreement shall require Staples to disclose any material information that is subject to a legally recognized privilege or that Staples is prohibited from disclosing by reason of law.
- P. Assignment. This Monitor Agreement may not be assigned or otherwise transferred by Staples or the Monitor without the consent of Staples, the Monitor, and the approval of the FTC. Any such assignment or transfer may only be made in a manner consistent with the terms of the Order.
- Q. Modification. No amendment, modification, termination, or waiver of any provision of this Monitor Agreement shall be effective unless made in writing, signed by all parties, and approved by the FTC. Any such amendment, modification, termination, or waiver may only be made in manner consistent with the terms of the Order.
- R. Approval by the FTC. This Monitor Agreement shall have no force or effect with respect to the Order until approved by the FTC.
- S. Entire Agreement. This Monitor Agreement, and those portions of the Order incorporated herein by reference, constitute the entire agreement of the parties and supersede any and all prior agreement and understandings between the parties, written or oral, with respect to the subject matter hereof.
- T. Duplicate Originals. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.
- U. Section Headings. Any heading of a section is for convenience only and is to be assigned no significance whatsoever as to its interpretation and intent.

IN WITNESS WHEREOF, the parties hereto have executed this Monitor Agreement as of the date first written above.
