Intercontinental Exchange and Black Knight Announce Agreement to Sell Black Knight's Optimal Blue Business to Constellation Software Inc.

7/17/2023

Divestiture contingent on closing of ICE's acquisition of Black Knight

ATLANTA & NEW YORK & JACKSONVILLE, Fla.--(BUSINESS WIRE)-- Intercontinental Exchange, Inc. (NYSE: ICE) and Black Knight, Inc. (NYSE: BKI) today announced that, in connection with their previously announced merger agreement for ICE's acquisition of Black Knight, they have agreed to sell Black Knight's Optimal Blue business to a subsidiary of Constellation Software Inc. (TSX: CSU).

Under terms of the divestiture agreement, Constellation will acquire Black Knight's Optimal Blue business for \$700 million. The structure of the proposed transaction includes a payment by Constellation of \$200 million in cash, with the remainder financed by a \$500 million promissory note issued by Constellation to Black Knight, as a subsidiary of ICE, at the closing of the transaction.

ICE and Black Knight entered into the divestiture agreement in connection with efforts to secure regulatory clearance of ICE's proposed acquisition of Black Knight. The divestiture transaction is subject to the closing of ICE's acquisition of Black Knight, the closing of Constellation's acquisition of Black Knight's Empower loan origination system (LOS) business previously announced earlier this year in March, and other customary closing conditions.

FORWARD-LOOKING STATEMENTS

This communication contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Rule 175 promulgated thereunder, and Section 21E of the Securities Exchange Act of 1934, as amended, and Rule 3b-6 promulgated thereunder, which involve inherent risks and uncertainties. Any statements about Black Knight's or ICE's plans, objectives, expectations, strategies, beliefs, or future performance or

events constitute forward-looking statements. Such statements are identified as those that include words or phrases such as “believes,” “expects,” “anticipates,” “plans,” “trend,” “objective,” “continue,” or similar expressions or future or conditional verbs such as “will,” “would,” “should,” “could,” “might,” “may,” or similar expressions. Forward-looking statements involve known and unknown risks, uncertainties, assumptions, estimates, and other important factors that change over time and could cause actual results to differ materially from any results, performance, or events expressed or implied by such forward-looking statements. Such forward-looking statements include but are not limited to statements about the benefits of the proposed acquisition of Black Knight by ICE (the “Transaction”), including future financial and operating results, Black Knight’s or ICE’s plans, objectives, expectations and intentions, the expected timing of completion of the Transaction, the expected form and timing of debt financing to fund the Transaction and other statements that are not historical facts.

These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those projected. In addition to factors previously disclosed in Black Knight’s and ICE’s reports filed with the SEC and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: the occurrence of any event, change, or other circumstance that could give rise to the right of Black Knight or ICE to terminate the definitive merger agreement governing the terms and conditions of the Transaction, as amended by the parties on March 7, 2023; the outcome of the Federal Trade Commission’s lawsuits filed against Black Knight and ICE seeking to block the consummation of the Transaction and of any other legal proceedings that may be instituted against Black Knight or ICE; the possibility that the Transaction (or the proposed divestiture of Black Knight’s Optimal Blue business or its Empower loan origination system (LOS)) does not close when expected or at all because required regulatory or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all (and the risk that such approvals may result in the imposition of conditions that could adversely affect Black Knight or ICE or the expected benefits of the Transaction); the risk that the benefits from the Transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in, or problems arising from, general economic, political and market conditions, interest and exchange rates, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which Black Knight and ICE operate; the ability to promptly and effectively integrate the businesses of Black Knight with those of ICE; the possibility that the Transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events; reputational risk and potential adverse reactions of Black Knight’s or ICE’s customers, employees or other business partners, including those resulting from the announcement or completion of the Transaction; the diversion of management’s attention and time from ongoing business operations and opportunities on merger-related matters; ICE’s ability to complete the contemplated debt financing on a timely basis, on favorable terms or at all; and the impact of the global COVID-19 pandemic on Black Knight’s or ICE’s businesses, the ability to complete the Transaction or any of the other foregoing risks.

These factors are not necessarily all of the factors that could cause Black Knight's or ICE's actual results, performance, or achievements to differ materially from those expressed in or implied by any of the forward-looking statements. Other unknown or unpredictable factors also could harm Black Knight's or ICE's results.

All forward-looking statements attributable to Black Knight or ICE, or persons acting on Black Knight's or ICE's behalf, are expressly qualified in their entirety by the cautionary statements set forth above. Forward-looking statements speak only as of the date they are made and Black Knight and ICE do not undertake or assume any obligation to update publicly any of these statements to reflect actual results, new information or future events, changes in assumptions, or changes in other factors affecting forward-looking statements, except to the extent required by applicable law. If Black Knight or ICE update one or more forward-looking statements, no inference should be drawn that Black Knight or ICE will make additional updates with respect to those or other forward-looking statements. Further information regarding Black Knight, ICE and factors which could affect the forward-looking statements contained herein can be found in Black Knight's Annual Report on Form 10-K for the fiscal year ended December 31, 2022 and its other filings with the SEC, and in ICE's Annual Report on Form 10-K for the fiscal year ended December 31, 2022 and its other filings with the SEC.
