(a) Revenue Earnout. An earnout may be earned by the Sellers pursuant to clauses (i), (ii) or (iii) of this Section 1.3(a) and, if earned, shall be paid by Parent to the Sellers following the Earnout Period as provided for in this Section 1.3 (such earnout, the "Revenue Earnout");

(i) in the event that Revenue during the Earnout Period is equal to or exceeds the Revenue Target, then the Revenue Earnout shall be an amount equal to the Revenue Consideration;

(ii) in the event that Revenue during the Earnout Period exceeds the Revenue Floor, but is less than the Revenue Target, then the Revenue Earnout shall be an amount equal to the Revenue Percentage of the Revenue Consideration; and

(iii) in the event that Revenue during the Earnout Period is less than or equal to the Revenue Floor, then no Revenue Earnout shall be earned hereunder and no amount of Revenue Consideration shall be payable hereunder; provided, that, for the avoidance of doubt, in no event shall more than one payment of the Revenue Earnout be made pursuant to either Section 1.3(a)(i) or Section 1.3(a)(ii).

(b) **EBITDA Earnout.** An earnout may be earned by the Sellers pursuant to clauses (i), (ii) or (iii) of this Section 1.3(b), and, if earned, shall be paid by Parent to the Sellers following the Earnout Period as provided for in this Section 1.3 (such earnout, the “**EBITDA Earnout**” and, together with the Revenue Earnout, the “**Earnouts**”):

(i) in the event that EBITDA during the Earnout Period is equal to or exceeds the EBITDA Target, then the EBITDA Earnout shall be amount equal to the EBITDA Consideration;

(ii) in the event that EBITDA during the Earnout Period exceeds the EBITDA Floor, but is less than the EBITDA Target, then the EBITDA Earnout shall be an amount equal to the EBITDA Percentage of the EBITDA Consideration; and

(iii) in the event that EBITDA during the Earnout Period is less than or equal to the EBITDA Floor, then no EBITDA Earnout shall be earned hereunder and no amount of EBITDA Consideration shall be payable hereunder, provided, that, for the avoidance of doubt, in no event shall more than one payment of the EBITDA Earnout be made pursuant to either Section 1.3(b)(i) or Section 1.3(b)(ii).

(c) **Earnout Statements; Disputes.**

(i) Each of Parent and the Sellers shall cooperate in good faith to cause the Company and its Subsidiaries to prepare and deliver to Parent and the Sellers, after March 31, 2022 in a manner and within a timeline consistent with the Company’s past practice (but in any event no later than September 30, 2022) the consolidated financial statements of the Company and its Subsidiaries for the Earnout Period audited by Deloitte, or such other audit firm of international repute agreed between Parent and the Sellers (such agreement not to be unreasonably withheld, conditioned or delayed), including a consolidated balance sheet of the Company and its Subsidiaries and consolidated statements of income, retained earnings and changes in cash flow of the Company and its Subsidiaries, setting forth in each case in comparative form, the corresponding figures from the previous financial year, in each case prepared in accordance with the Transaction Principles (the “**Earnout Financial Statements**”). Within thirty (30) days of its receipt of the Earnout Financial Statements, the Earnout Party shall deliver to the Non-Earnout Party a statement setting forth, in reasonable detail, the Earnout Party’s good faith calculation of Revenue, EBITDA and the Earnout earned, if any, pursuant to this Section 1.3, together with all reasonable supporting schedules for the foregoing (collectively, the “**Earnout Statement**”). Each of EBITDA, Revenue and any Earnout to be reflected or set forth in the Earnout Financial Statements or in the Earnout Statement shall be calculated in accordance with the Transaction Principles as set forth on Exhibit J attached hereto (the “**Sample Earnout Statement**”).

(ii) During the thirty (30) day period (“**Earnout Review Period**”) following the Non-Earnout Party’s receipt of the Earnout Statement, (A) in furtherance of and without limiting the generality of Section 6.7, the Non-Earnout Party and its Representatives shall be permitted reasonable access during normal business hours to the books, records (including work papers and other documents), employees (involved in the

preparation of the Earnout Statement, if any), and supporting data of the Earnout Party (including the Company and its Subsidiaries) and its and their independent auditors used in the preparation of the Earnout Statement for purposes of their review of the Earnout Statement (provided, that, the Non-Earnout Party and its Representatives, including their independent auditors, shall have executed all customary release letters reasonably requested by the Earnout Party's independent auditors in connection therewith), (B) the Earnout Party shall reasonably cooperate with the Non-Earnout Party and its Representatives in connection with the review of the Earnout Statement as is reasonably requested by the Non-Earnout Party, and (C) the Non-Earnout Party may dispute the amounts reflected on the line items of the Earnout Statement on the basis that such item does not reflect, or has not been made in a manner consistent with, the provisions of this Section 1.3; provided, however, that, the Non-Earnout Party shall notify the Earnout Party in writing of each disputed item, and specify the amount thereof in dispute and the specific basis therefor, within the Earnout Review Period. Any notice of disputed items shall (x) specify in reasonable detail, to the extent then known, the nature of any disagreement so asserted (with reasonable supporting documentation) and (y) specify, to the extent then known, the amount that the Non-Earnout Party reasonably believes is the correct Revenue, EBITDA or Earnout amount, as applicable, based on the disagreements set forth in the notice of disputed items, including a reasonably detailed description of the adjustments applied to the Earnout Statement in calculating such amounts. The Non-Earnout Party shall be deemed to have agreed with all other items and amounts contained in the Earnout Statement not so objected to in a notice of disputed items delivered within the Earnout Review Period, and the failure by the Non-Earnout Party to provide a notice of disputed items to the Earnout Party within the Earnout Review Period will constitute the Non-Earnout Party's acceptance of all of the items in the Earnout Statement and the Earnout Statement shall be conclusive and binding upon the parties as the final Earnout Statement.

(iii) If a notice of disputed items shall be validly delivered pursuant to Section 1.3(c)(ii), the parties shall, during the thirty (30) days following the date of such delivery (the "***Earnout Resolution Period***"), negotiate in good faith to resolve the disputed items. During the Earnout Resolution Period, the Earnout Party and its Representatives (including its independent auditors) shall be permitted reasonable access during normal business hours to the working papers of the Non-Earnout Party and its independent auditors relating to the notice of disputed items (provided, that, the Earnout Party and its Representatives, including its independent auditors, have executed all customary release letters reasonably requested by the Non-Earnout Party's independent auditors in connection therewith). To the extent the disputed items are so resolved in writing within the Earnout Resolution Period, then the Earnout Statement, as revised to incorporate such changes as have been agreed between the Sellers and Parent, shall be conclusive and binding upon the parties as the final Earnout Statement.

(iv) If the parties are unable to reach agreement by the end of the Earnout Resolution Period, notwithstanding the provision in Section 10.12 with respect to applicable substantive law, the parties shall refer all unresolved disputed items to the Arbitration Panel for arbitration to be conducted pursuant to the terms of this Section 1.3(c)(iv) and Section 9.6(c). The parties shall instruct the Arbitration Panel to make a determination with respect to each unresolved disputed item within sixty (60) days

after its engagement by the Sellers and Parent to resolve such disputed items, which determination shall be made in accordance with the rules set forth in this Section 1.3(c)(iv). The Arbitration Panel shall make its determination solely (A) on the documentation submitted by, and a single presentation (any such documentation or presentation must be provided to the other party prior to its submission or presentation to the Arbitration Panel) made by each of the Sellers and Parent and (B) on the definitions of this Section 1.3 and the related defined terms in this Agreement. The parties shall instruct the Arbitration Panel to deliver to the Sellers and Parent, within such sixty (60) day period, a written report setting forth its adjustments, if any, to the Earnout Statement and the calculations supporting such adjustments, and any such adjustments must be within the range of values established for such disputed item in the Earnout Statement and the notice of disputed items delivered pursuant to Section 1.3(c)(ii). Such report shall be final, binding on the parties and conclusive on each of the Sellers and Parent, absent manifest errors, and enforceable in a court of law, effective as of the date the Arbitration Panel's written determination is received by the Sellers and Parent; provided, that, nothing in this Section 1.3 is intended to, and nothing in this Section 1.3 shall be construed or interpreted to, limit any party's right to obtain any remedies with respect to a breach of any representations, warranties, covenants or agreements of the other parties pursuant to this Agreement. The Arbitration Panel will award to the prevailing party all costs, fees and expenses related to the arbitration, including reasonable fees and expenses of attorneys, accountants and other professionals incurred by the prevailing party, and judgment on the award rendered by the Arbitration Panel may be entered in any court having jurisdiction thereof. If, before the Arbitration Panel renders its determination with respect to the disputed items in accordance with this Section 1.3(c)(iv), (x) the Sellers notify Parent of their agreement with any items in the Earnout Statement previously disputed by the Sellers, (y) Parent notifies the Sellers of its agreement with any items in the Earnout Statement previously disputed by Parent, or (z) the Sellers and Parent otherwise agree to resolution of any such items in writing, then in each case such items as so agreed will be conclusive and binding on the parties immediately upon such notice.

(d) Contingent Consideration Procedures. Following the Earnout Period, Parent shall pay to each Seller such Seller's Pro Rata Share of the Contingent Consideration (rounded down to the nearest cent or the nearest whole share, as applicable), if any, in the form elected by the Sellers in accordance with Section 1.3(e) and within the time period set forth in Section 1.3(e); provided, that, in the event the amount of the Contingent Consideration is subject to any dispute, any undisputed portion(s) of the Contingent Consideration shall be paid promptly (and in any event within five (5) Business Days after determination of such undisputed portion) by Parent, with any disputed portion(s) paid in installment(s), in each case when and to the extent such amounts are agreed or otherwise determined to be payable in accordance with Section 1.3(c).

(e) Election of Contingent Consideration Form. At SoftBank's election by written notice to Parent no later than thirty (30) Business Days prior to the Closing, the Sellers may elect to receive payments of the Contingent Consideration, if, as and when payable in accordance with Section 1.3(d), in the form of either:

(i) cash to be paid by to each Seller by Parent in an amount equal to such Seller's Pro Rata Share of the applicable Contingent Consideration amount (rounded down to the nearest cent), within twelve (12) months after the date that is the later of (i) the Closing Date and (ii) the date on which written agreement in respect of any amount of the Contingent Consideration is reached or a determination is made by the Arbitration Panel in accordance with this Section 1.3; or

(ii) Parent Stock, to be issued to each Seller by Parent, in each case in an amount equal to such Seller's Pro Rata Share of (x) the applicable Contingent Consideration amount *divided by* (y) the Parent Stock Price (rounded down to the nearest whole share), within ten (10) Business Days after the date that is the later of (i) the Closing Date and (ii) the date on which written agreement in respect of any amount of the Contingent Consideration is reached or a determination is made by the Arbitration Panel in accordance with this Section 1.3;

provided, that, if no such election is made, any payments of Contingent Consideration shall be payable in the form of Parent Stock otherwise in accordance with Section 1.3(d).

(f) Anti-Hedging. Prior to the latest of (i) the Closing, (ii) the payment of the Contingent Consideration or (iii) a final determination that no Contingent Consideration is payable, the Sellers shall not, directly or indirectly, engage in any swap, hedge, derivative instrument, or any other agreement or any transaction that transfers, limits, caps, collars, sets a floor, offsets or otherwise modifies, in whole or in part, directly or indirectly, the economic consequences of ownership of any Parent Stock held by the Sellers or their Affiliates or that they are entitled to or otherwise may receive pursuant to this Agreement, provided, that after Closing the Sellers and their Affiliates shall not be prohibited from pledging any Parent Stock they own solely to secure a margin loan transaction for the purpose of raising financing on Parent Stock owned by Seller(s), subject to compliance with securities laws and provided it does not adversely impact any of their obligations under the Investor Rights Agreement; and provided, further, that, this Section 1.3(f) shall terminate at Closing and have no effect thereafter if SoftBank elects to receive cash in payment of the Contingent Consideration pursuant to Section 1.3(e).

1.4 Certain Taxes.

(a) All transfer, documentary, sales, use, stamp, registration and other Taxes and fees (including all applicable real estate transfer Taxes and any penalties and interest) incurred or chargeable in connection with this Agreement ("**Transfer Taxes**") shall be paid by the Company when due, and the Company shall timely file or caused to be timely filed all necessary Tax Returns and other documentation with respect to all such Transfer Taxes. For these purposes, Transfer Taxes shall not include (i) any United Kingdom stamp duty or stamp duty reserve tax payable in respect of the purchase of, or agreement to purchase, the Company Shares ("**UK Stamp Taxes**") or (ii) any Taxes incurred at any time by the Company or any of its Subsidiaries in connection with any Reorganization ("**Restructuring Taxes**").

(b) The Company shall timely pay all Restructuring Taxes and timely file or caused to be timely filed all necessary Tax Returns and other documentation with respect to such Restructuring Taxes.

(c) Parent, or at Parent's direction, Acquirer, shall timely pay all UK Stamp Taxes and shall timely file or caused to be timely filed all necessary Tax Returns and other documentation with respect to such UK Stamp Taxes.

1.5 Officers and Directors of the Company. The Sellers and the Company shall (a) take all actions necessary so that each director and the secretary of the Company shall execute a resignation letter reasonably satisfactory to Parent, or shall otherwise be removed from such position, at or prior to the Closing; (b) if requested by Parent at least fifteen (15) Business Days prior to the Closing Date, use commercially reasonable efforts so that each specified director, officer or secretary of a Subsidiary of the Company or any designated director of the Company appointed to the China JV shall execute a resignation letter reasonably satisfactory to Parent or shall otherwise be removed from such position and informed by the Company of such removal; and (c) take all actions necessary so that, from and after the Closing, the individuals designated by Parent no later than five (5) Business Days prior to the Closing Date shall have been, contingent as of and effective upon the Closing, validly appointed as directors and company secretary of the Company and as the Company's designated directors of the China JV, until their respective successors have been duly elected, designated or qualified, or until their earlier death, resignation or removal in accordance with the Organizational Documents of the Company.

(c) No consent, approval, Order or authorization of, or registration, declaration or filing with, or notice to, any Governmental Entity or any other Person is required by or with respect to the Company or any of its Subsidiaries in connection with the execution and delivery of this Agreement or any Transaction Document or the completion of the Transactions (including, any filings and notifications as may be required to be made by the Company in connection with the Share Purchase), except for (i) such Regulatory Filings as set forth on Schedule 2.3(c) of the Seller Disclosure Letter and the authorization, clearance, consent, approval or expiration or early termination of the applicable waiting period with respect to such Regulatory Filings and (ii) such consents, approvals, Orders, authorizations, registrations, declarations, filings and notices that, if not obtained or made, would not materially and adversely affect, and would not reasonably be expected to materially and adversely affect, the Company's or any of its Subsidiaries' ability to perform or comply with the covenants, agreements or obligations of the Company herein or in any Transaction Document or to complete the Transactions in accordance with this Agreement or any Transaction Document and Applicable Law.

(d) The execution and delivery of the applicable Transaction Documents by the Company does not, and the completion of the Transactions will not contravene, conflict with or result in a violation of any of the terms or requirements of, or give any Governmental Entity the right to revoke, withdraw, suspend, cancel, terminate or modify, any authorization from a Governmental Entity that is held by the Company or any of its Subsidiaries that otherwise relates to the Company's or any of its Subsidiaries' Business or to any of the assets owned or used by the Company, in each case in a manner that would have a Company Material Adverse Effect.

Subject to the exceptions, qualifications and other matters set forth in the disclosure letter delivered by Parent to the Sellers concurrently with the execution of this Agreement (the "**Parent Disclosure Letter**") (each of which disclosures, in order to be effective, shall indicate the Section and, if applicable, the subsection of this Article IV to which it relates (unless and only to the extent the relevance to other representations and warranties is reasonably apparent from the face of the disclosures)), Parent and Acquirer represent and warrant to each of the Sellers as follows:

4.1 Organization and Standing. Each of Parent and Acquirer is a company duly organized, validly existing and in good standing under the laws of its jurisdiction of organization. Each of Parent and Acquirer is not in violation in any material respect of any of the provisions of its articles or certificate of incorporation, as applicable, or bylaws or equivalent organizational or governing documents, in each case except as would not prevent Parent or Acquirer from consummating the Transactions or materially impair the ability of Parent or Acquirer to perform its obligations under this Agreement.

4.2 Authority; Non-contravention.

(a) Each of Parent and Acquirer has all requisite corporate power and authority to enter into this Agreement and to complete the Transactions. The execution and delivery of this Agreement and the completion of the Transactions have been duly authorized by all necessary corporate action on the part of Parent and Acquirer. This Agreement has been duly executed and delivered by each of Parent and Acquirer and, assuming the due execution and delivery of this Agreement by the other parties hereto, constitutes the valid and binding obligation of Parent and Acquirer, enforceable against Parent and Acquirer in accordance with its terms, subject only to the effect, if any, of (i) applicable bankruptcy and other similar Applicable Law affecting the rights of creditors generally and (ii) rules of law governing specific performance, injunctive relief and other equitable remedies.

(b) The execution and delivery of this Agreement by Parent and Acquirer does not, and the completion of the Transactions will not, conflict with, or result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to a right of termination, cancellation or acceleration of any obligation or loss of a benefit under, or require any consent, approval or waiver from any Person (other than a Governmental Entity) pursuant to, (i) any provision of the articles or certificate of incorporation, as applicable, or bylaws or other equivalent organizational or governing documents of Parent and Acquirer, in each case as amended to date, or (ii) assuming the making of all Regulatory Filings and the receipt of all Regulatory Approvals, and under any Applicable Law or Order relating to foreign direct investment and national security in the United Kingdom, Applicable Law, except where such conflict, violation, default, termination, cancellation or acceleration, individually or in the aggregate, would not prevent Parent or Acquirer from consummating the Transactions or materially impair the ability of Parent or Acquirer to perform their respective obligations under this Agreement.

(c) No consent, approval, Order or authorization of, or registration, declaration or filing with, or notice to, any Governmental Entity or any other Person is required by or with respect to Parent or Acquirer or any their respective Subsidiaries in connection with the execution and delivery of this Agreement or any Transaction Document or the completion of the Transactions (including, any filings and notifications as may be required to be made by Parent in connection with the Share Purchase), except for (i) such Regulatory Filings as set forth on Schedule 4.2(c) of the Parent Disclosure Letter and the authorization, clearance, consent, approval or expiration or early termination of the applicable waiting period with respect to such Regulatory Filings, (ii) as required by applicable federal and state securities laws and the rules of Nasdaq in connection with

the issuance and listing on Nasdaq of the shares of Parent Stock issuable in the Share Purchase and (iii) such consents, approvals, Orders, authorizations, registrations, declarations, filings and notices that, if not obtained or made, would not adversely affect, and would not reasonably be expected to adversely affect, Parent's or Acquirer's ability to perform or comply with the covenants, agreements or obligations of Parent or Acquirer herein or in any Transaction Document or to complete the Transactions in accordance with this Agreement or any Transaction Document and Applicable Law.

4.3 Issuance of Shares. The Closing Stock Consideration and the Contingent Consideration (if payable in Parent Stock) when issued and delivered by Parent in accordance with the terms of this Agreement, will be duly authorized and validly issued, fully paid and non-assessable and free and clear of any Encumbrances (other than transfer restrictions under U.S. federal and state securities laws and under the Investor Rights Agreement and the Escrow Agreement). Subject to the representations and warranties of the Company and of the Sellers contained herein, at the Closing, Parent will have sufficient authorized but unissued shares of capital stock to effect the Closing Stock Consideration and, if applicable, the Interested Adjusted Contingent Consideration.

All of the issued and outstanding shares of Parent Stock have been duly authorized and are validly issued, fully paid, and nonassessable. As of the close of business on the Reference Date, 20,018,999 shares of Parent Stock were subject to outstanding equity awards under Parent's equity plans. Except as set forth in this **Section 4.4**, as of the close of business on the Reference Date, no other shares of Parent Stock, or any securities convertible into any capital stock of Parent, were issued, reserved for issuance or outstanding, and Parent does not have outstanding any options or other equity interests to purchase, any preemptive rights or other rights to subscribe for or to purchase, or any written contracts, leases, licenses, indentures, agreements, commitments or other legally binding arrangements to issue or sell, shares of its capital stock or any such options, equity interests, rights, convertible securities or warrants other than granted under Parent's equity plans.

Parent will have sufficient cash on hand or other sources of available funds to pay the Contingent Consideration at the time it becomes payable hereunder.

4.7 SEC Reports; Financial Statements.

(a) Parent has timely filed or furnished all forms, reports and other documents required to be filed or furnished by it with the SEC for the twelve (12) months preceding the Agreement Date (including any amendments thereof and the exhibits thereto and documents incorporated by reference therein, the “**SEC Reports**”), or has received a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension, except where the failure to file on a timely basis would not have or reasonably be expected to result in a Parent Material Adverse Effect. As of each of its respective dates, each SEC Report has complied in all material respects with the requirements of the Securities Act and the Exchange Act and relevant rules of Nasdaq as the case may be.

(b) The financial statements of Parent and its consolidated Subsidiaries included in the SEC Reports comply as to form in all material respects with the published rules and regulations of the SEC with respect thereto and all other applicable accounting requirements as in effect at the time of filing (or to the extent corrected by a subsequent restatement). Such financial statements (i) have been prepared in all material respects in accordance with the published rules and regulations of the SEC with respect thereto and U.S. generally accepted accounting principles (“**GAAP**”) applicable to such financial statements applied on a consistent basis during the periods involved, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and (ii) fairly present in all material respects the financial position of Parent and its consolidated Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended (subject, in the case of unaudited interim period financial statements, to normal recurring year-end audit adjustments, none of which individually or in the aggregate will be material in amount).

(c) Except as disclosed in SEC Reports filed prior to the Agreement Date, from the date of the most recent consolidated balance sheet of Parent and its Subsidiaries that is disclosed in the SEC Reports through the Agreement Date, there have been no events, occurrences or developments that have had or would reasonably be expected to have, either individually or in the aggregate, a Parent Material Adverse Effect.

Subject to and assuming the accuracy of and Sellers’ and the Company’s compliance with Section 2.10(bb) and Section 2.10(cc), Parent represents that it does not intend to withhold any U.S. federal Taxes with respect to the payment of the License Consideration and the Deposited Amount.

4.9 No Other Representations or Warranties. Except for the representations and warranties expressly set forth in this Article IV, none of Parent, Acquirer or any of their Representatives or any other Person on behalf of Parent, Acquirer or any of their Representatives makes any express or implied representation or warranty (and there is and has been no reliance by the Sellers, the Company or any of their Representatives) with respect to Parent, Acquirer or their

respective businesses or with respect to any other information provided, or made available, to the Sellers, the Company or their Representatives in connection with the Transactions, including the accuracy or completeness thereof. Without limiting the foregoing, neither Parent nor Acquirer will have or be subject to any liability or other obligation to the Sellers, the Company or their Representatives resulting from the Sellers', the Company's or their Representatives' use of any information, documents, projections, forecasts or other material made available to the Sellers, the Company or their Representatives, unless and to the extent any such information is expressly included in a representation or warranty contained in this Article IV.

(w) Interested Party Transactions. Except in connection with the Reorganizations, enter into or amend any Contract that, if entered prior to the Agreement Date, would be required to be listed on Schedule 2.12 of the Seller Disclosure Letter.

(x) Other. Take or agree in writing or otherwise to take, any of the actions described in clauses (a) through (w) in this Section 5.2.

(y) Notwithstanding anything to the contrary in this Section 5.2, the parties acknowledge and agree that (a) nothing in this Agreement shall give Parent, directly or indirectly, the right to control or direct the Company's operations for purposes of applicable Antitrust Laws prior to the expiration or termination of any applicable waiting or receipt of an consent or approval under period pursuant to applicable Antitrust Laws and (b) no consent of Parent shall be required with respect to any matter set forth in this Agreement to the extent the requirement of such consent would violate any Antitrust Law.

5.3 Conduct of the Business of the Company Following the Closing. In the event that the Closing occurs prior to the expiration of the Earnout Period, then, during the period from the Closing and continuing until the expiration of the Earnout Period, except (i) as required or expressly permitted by this Agreement, including actions taken in substantial conformity with the Post-Closing Restructuring, (ii) as required by Applicable Law (including Applicable Law imposing any quarantine, "shelter in place", "stay at home", workforce reduction, social distancing, shut down, closure or sequester in connection with or in response to COVID-19), (iii) as set forth on Schedule 5.3 of the Parent Disclosure Letter, or (iv) as consented to in writing by the Sellers (including by email in accordance with Section 10.2), which consent shall not be unreasonably withheld, conditioned or delayed (except in the case of Seller consents in respect of Sections 5.3(a) and (b)), Parent shall cause the Company and each of its Subsidiaries to:

(a) conduct the Business in the Ordinary Course;

(b) not act in bad faith, or otherwise intentionally take actions, in each case, with the specific purpose of delaying, impeding, avoiding or preventing the earning of any Contingent Consideration;

(c) not take any action related to the integration of the Business, with the Parent's business, or take any other action related to the restructuring of the Business; and

(d) otherwise not take or perform any action, or refrain from taking or performing any action, that, if taken or not taken prior to the Closing Date without the consent of the Sellers, would have resulted in a breach of any of the terms of Sections 5.2(b), 5.1(e), 5.2(m), 5.2(n), 5.2(t) or 5.2(u);

provided, that, (x) each Seller acknowledges that there is no assurance that any Contingent Consideration will be achieved; and (y) in no event will Parent or the Company be prohibited from taking any action related to the integration of accounting systems, software and processes, establishing reporting lines to employees of Parent's Subsidiaries or other reasonable integration of the Business with Parent's business, which, in each case, would not reasonably be expected to have an adverse effect on the achievement or the amount of any Contingent Consideration.

5.4 Notices of Certain Events. During the Interim Period, the Company and each Seller (as it relates to information about such Seller only) shall, to the extent lawful, promptly notify Parent, and Parent shall promptly notify the Company and the Sellers, if such party becomes aware of:

(a) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the Share Purchase or this Agreement;

(b) any notice or other communication from any Governmental Entity (i) delivered in connection with the Share Purchase or this Agreement, or (ii) indicating that a Company Authorization is revoked or about to be revoked or that a Company Authorization is required in any jurisdiction in which such Company Authorization has not been obtained, which revocation or failure to obtain has had or would reasonably be expected to be material to the Company or to Acquirer, as the case may be;

(c) any actions, suits, claims, investigations or proceedings commenced or, to their respective knowledge, threatened against, relating to or involving or otherwise affecting the Company, or Acquirer, as the case may be, that, if pending on the Agreement Date, would have been required to have been disclosed pursuant to the Agreement, as the case may be, or that relate to the completion of the Share Purchase;

(d) any inaccuracy in or breach of any of their respective, representations, warranties or covenants contained in this Agreement (provided, that, qualifications by reference to the term “as of the Agreement Date” in any representation or warranty in Article II, Article III or Article IV shall not be taken into account in determining whether an inaccuracy in or breach of any of the representations and warranties has occurred following the Agreement Date that requires disclosure to the applicable party pursuant to the terms set forth above; and provided, further, that, a failure to provide notice pursuant to this Section 5.4(d) shall not constitute a breach of a covenant of Parent, the Sellers or the Company for purposes of the condition in Section 7.3(b) or Section 7.2(b), as applicable);

(e) any material actions taken, or expected to be taken, by the Company relating to COVID-19; provided, that, the Company shall consult with Parent in good faith prior to implementing any such actions by the Company relating to COVID-19; provided, further, that, nothing in this Agreement shall restrict the Company’s ability to promptly respond to a situation relating to COVID-19 with the intention of minimizing any adverse effect of such situation in relation to the Company or taking any action related thereto that is required by Applicable Law; and

(f) any event, condition, fact or circumstance not covered by clauses (a)-(e) above that would reasonably be expected to make the timely satisfaction of any of the conditions set forth in Article VII impossible or unlikely.

5.5 Restrictions on Company Shares. During the Interim Period: (a) other than a repurchase by the Company as permitted by Section 5.2(c) in connection with the Cash Sweep, each Seller shall not, directly or indirectly, transfer, sell, exchange, pledge or otherwise dispose of or encumber any of the Company Shares or any interest therein, or enter into any agreement or other arrangement relating thereto, and (b) each Seller shall not, directly or indirectly, grant any proxies or powers of attorney with respect to any of the Company Shares, deposit any of the Company Shares into a voting trust or enter into a voting agreement or similar arrangement or commitment with respect to any of the Company Shares.

Article VI ADDITIONAL AGREEMENTS

6.1 Pre-Closing No Solicitation.

(a) During the Interim Period, none of the Sellers, the Company or its Subsidiaries will, and none of them will authorize, direct or permit any of their respective Representatives, acting on their behalf or at their direction, to, directly or indirectly, (i) solicit, initiate, entertain or knowingly encourage, facilitate, support or induce the making, submission or announcement of any inquiry, expression of interest, proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (ii) enter into, participate in, maintain or continue any communications (except solely to provide written notice as to the existence of these provisions or to clarify the terms of any inquiry, expression of interest, proposal or offer) or negotiations regarding, or deliver or make available to any Person any non-public information with respect to any inquiry, expression of interest, proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (iii) agree to, accept, approve, endorse or recommend (or publicly propose or announce any intention or desire to agree to, accept, approve, endorse or recommend) any Acquisition Proposal, (iv) enter into any letter of intent or

any other Contract contemplating or otherwise relating to any Acquisition Proposal, (v) submit any Acquisition Proposal to the vote of any Seller or (vi) enter into any other transaction or series of transactions the completion of which would impede, interfere with, prevent or delay, or would reasonably be expected to impede, interfere with, prevent or delay, the completion of the Share Purchase or the other Transactions. Each of the Company, its Subsidiaries and the Sellers will, and will cause their Representatives, acting on their behalf or at their direction, to, (A) immediately cease and cause to be terminated any and all existing activities, discussions or negotiations with any Persons conducted prior to or on the Agreement Date with respect to any Acquisition Proposal and (B) immediately revoke or withdraw access of any Person (other than Parent and its Representatives) to any data room (virtual or actual) containing any non-public information with respect to the Company or any of its Subsidiaries in connection with an Acquisition Proposal and request from each Person (other than Parent and its Representatives) the prompt return or destruction of all non-public information with respect to the Company or any of its Subsidiaries previously provided to such Person in connection with an Acquisition Proposal. If any Representative, whether in his, her or its capacity as such or in any other capacity, takes any action (on the Company's, any of its Subsidiaries' or a Seller's behalf or at their direction) that the Company, any of its Subsidiaries or a Seller is obligated pursuant to this Section 6.1 not to authorize or permit such Representative to take, then the Company and the Seller, respectively, shall be deemed for all purposes of this Agreement to have breached this Section 6.1.

(b) The Company and each Seller shall immediately (but in any event, within twenty-four (24) hours) notify Parent orally and in writing after learning of receipt by it (or, to the knowledge of it, by any of its Representatives), of (i) any Acquisition Proposal, (ii) any inquiry, expression of interest, proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (iii) any other notice that any Person is considering making an Acquisition Proposal or (iv) any request for non-public information relating to the Company or any of its Subsidiaries or for access to any of the properties, books or records of the Company or any of its Subsidiaries by any Person or Persons in connection with, or that would reasonably be expected to lead to, an Acquisition Proposal, other than Parent and its Representatives. Such notice shall describe (A) the material terms and conditions of such Acquisition Proposal, inquiry, expression of interest, proposal, offer, notice or request and (B) the identity of the Person or Group making any such Acquisition Proposal, inquiry, expression of interest, proposal, offer, notice or request. The sender of such notice shall keep Parent fully informed of the status and details of, and any modification to, any such inquiry, expression of interest, proposal or offer and any correspondence or communications related thereto and shall provide to Parent a true, correct and complete copy of such inquiry, expression of interest, proposal or offer and any amendments, correspondence and communications related thereto, if it is in writing, or a reasonable written summary thereof, if it is not in writing. The delivery by the Sellers or the Company to Parent of any notices pursuant to this Section 6.1(b) shall not limit or modify the obligations of the Sellers and the Company pursuant to Section 6.1(a).

6.2 Non-compete; Non-solicitation. In further consideration for the payment of the Aggregate Consideration and in order to protect the value of the Company Shares purchased by Acquirer (including the goodwill inherent in the Company and each Subsidiary as of the Closing), upon the Closing contemplated by this Agreement, each Seller agrees, on behalf of itself and its Affiliates, as follows:

(a) Each Seller acknowledges that it has become, and following the date hereof shall continue to be, familiar with Confidential Information concerning the Company and its Subsidiaries. Therefore, each Seller agrees that from the Agreement Date through the earlier of the termination of this Agreement or the three (3) year anniversary of the Closing Date (the “**Non-compete Period**”), it shall not (and shall not take any steps toward or preparations in respect of), directly or indirectly, either for itself or for any other Person, own, manage, control, participate in, invest in, or permit its name to be used by, any Person primarily engaged in and deriving greater than 50% of its revenues from, the design, development, manufacture, production, marketing and sale of semiconductor products and related services intended to compete with either the Arm ISA or X86 ecosystems, including but not limited to semiconductor products and related services related to RISC-V. For purposes of this Section 6.2, the foregoing activities include any direct or indirect interest in any enterprise, whether as a director, partner, agent, representative, stockholder, creditor, or owner; provided, that, the foregoing activities shall not include passive ownership of less than ten percent (10%) of the stock of a publicly held corporation whose stock is traded on a national securities exchange or in the over the counter market. During the Non-compete Period, each Seller shall not directly or indirectly through another Person (i) call on, solicit, or service any customer, supplier, licensee, licensor or other business relation of the Company or any Subsidiary (a “**Business Client**”) with respect to products or services that have been provided by the Company or any Subsidiary, are currently being provided by the Company or any Subsidiary or which the Company or any Subsidiary is currently in the process of developing; or (ii) encourage, induce or solicit, or attempt to encourage, induce or solicit, any Business Client to cease doing business with the Company or any of its Subsidiaries.

(b) Each Seller represents and warrants to Parent that since August 18, 2020, such Seller and its controlled Affiliates have not solicited any Covered Employees in violation of the terms of the Confidentiality Agreement and there are currently no outstanding offers of employment from such Seller or its controlled Affiliates to any Covered Employee.

(c) Parent represents and warrants to the Sellers that, since August 18, 2020, Parent and its controlled Affiliates have not solicited any Covered Employees in violation of the terms of the Confidentiality Agreement and there are currently no outstanding offers of employment from Parent or its controlled Affiliates to any Covered Employee.

(d) From the Agreement Date through the earlier of the termination of this Agreement or the two (2) year anniversary of the Closing Date, without prior written consent of Parent, each Seller shall not (and shall cause its directly and indirectly controlled Affiliates not to), directly or indirectly, (i) encourage, induce, solicit or attempt to encourage, induce or solicit any Covered Employee to leave the employment of the Company or any of its Subsidiaries, or (ii) hire or employ any Covered Employee; provided, however, that, this Section 6.2(d) shall not preclude any Seller or its directly and indirectly controlled Affiliates placing general solicitation, mass advertisement or similar type of broad-based publicly-disseminated solicitation through advertisement or search firms that is not directed specifically toward the Covered Employees.

(e) From the Agreement Date through the earlier of (i) the later of (1) August 18, 2021, or (2) the termination of this Agreement or (ii) the Closing, without the prior written consent of the Sellers, Parent shall not (and shall cause its directly and indirectly controlled Affiliates not to), directly or indirectly, (x) encourage, induce, solicit or attempt to encourage, induce or solicit any Covered Employee to leave the employment of the Company or any of its Subsidiaries, or (y) hire or employ any Covered Employee; provided, however, that, this Section 6.2(e) shall not preclude Parent or its directly and indirectly controlled Affiliates from placing general solicitation, mass advertisement or similar type of broad-based publicly-disseminated solicitation through advertisement or search firms that is not directed specifically toward the Covered Employees.

(f) Each party acknowledges and represents that: (i) sufficient consideration has been given by each party to this Agreement to the other as it relates hereto; (ii) such party has consulted with independent legal counsel regarding its rights and obligations under this Section 6.2; (iii) such party fully understands the terms and conditions contained herein; (iv) the scope of the business of the Company or its Subsidiaries is independent of location (such that it is not practical to limit the restrictions contained in this Section 6.2 to a specified country, city or part thereof); (v) the restrictions and agreements in this Section 6.2 are reasonable in all respects and necessary for the protection of the parties, and their Confidential Information and goodwill and that, without such protection, the parties' employees, customer and client relationships and competitive advantage would be materially adversely affected; and (vi) the agreements in this Section 6.2 are an essential inducement to the parties to enter into this Agreement and they are in addition to, rather than in lieu of, any similar or related covenants to which the parties are bound.

(g) If at any time a court or arbitrator's award holds that the restrictions in this Section 6.2 are unreasonable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area. The parties hereto agree that any breach of the provisions contained in this Section 6.2 will result in serious and irreparable injury and therefore money damages would not be an adequate remedy for any such breach. Therefore, in the event of a breach or threatened breach of any provisions of this Section 6.2 that is continuing, the Company, Sellers, Parent and their respective successors and assigns and any third-party beneficiary to this Agreement, in addition to other rights and remedies existing in their favor, shall be entitled to specific performance or injunctive or other relief in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security). In addition, in the event of a breach or violation by any party of this Section 6.2, the Non-compete Period shall be tolled until such breach or violation has been duly cured.

6.3 Confidentiality; Public Disclosure.

(a) The parties hereto acknowledge that Parent, the Sellers and the Company have previously executed a non-disclosure agreement, dated as of May 21, 2020 as amended on August 18, 2020 and a clean team agreement, dated as of August 6, 2020 (collectively, the "***Confidentiality Agreement***"), which shall continue in full force and effect in accordance with its terms. At no time shall any party hereto disclose any of the terms of this Agreement (including the economic terms) or any non-public information about a party hereto to any other Person without the prior written consent of the party hereto about which such non-public information

relates. Notwithstanding anything to the contrary in the foregoing, a party hereto shall be permitted to disclose any and all terms to its financial, tax and legal advisors (each of whom is subject to a similar obligation of confidentiality), and to the extent necessary or advisable in compliance with Applicable Law and the rules of any applicable stock exchange (including Nasdaq and Tokyo Stock Exchange, Inc.). With respect to the Sellers, as used in the Confidentiality Agreement, the term “**Confidential Information**” shall also include information relating to the Share Purchase or this Agreement received by the Sellers after the Closing or relating to the period after the Closing.

(b) Parent and the Sellers have agreed upon the initial joint press release and other public communications with respect to the execution of this Agreement, and will issue such press release and public communications promptly following the execution of this Agreement (the “**Joint Communications**”). Other than the Joint Communications, the Sellers and the Company shall not, and shall cause each of its Subsidiaries and its and their respective Representatives not to, issue any press release or other public communications relating to the terms of this Agreement or the Transactions, without the prior written approval of Parent (such consent not to be unreasonably withheld, conditioned or delayed), unless (i) the Sellers determine after consultation with outside counsel that it is required by Applicable Law (in which event written notice to that effect shall be first delivered to Parent prior to any such disclosure), (ii) that it consists solely of information previously disclosed in all material respects in previous press releases and public communications in compliance with this Section 6.3(b) or (iii) except as reasonably necessary for the Sellers and the Company to obtain the consents and approvals of Third Parties contemplated by this Agreement. Notwithstanding anything to the contrary contained herein or in the Confidentiality Agreement, each of SoftBank and Parent may make such public communications regarding this Agreement or the Transactions as such party may determine (A) is reasonably appropriate to comply with Applicable Law, or with the rules of the Tokyo Stock Exchange or Nasdaq; (B) that consist solely of information previously disclosed in all material respects in previous press releases and public communications in compliance with this Section 6.3(b); (C) solely with respect to Parent, are reasonably appropriate in connection with the regulatory approval process, except, in each case subject to prior consultation with the Sellers in accordance with Section 6.4(g); (D) are in response to specific questions by the press, analysts, investors or those attending industry conferences or financial analyst conference calls, so long as any such statements consist solely of information previously disclosed in all material respects in previous press releases, public disclosures or public statements made by Parent or the Sellers in compliance with this Section 6.3(b) and do not reveal material, non-public information regarding the other parties, this Agreement or the Transactions. Furthermore, Parent may make such public communications as it determines reasonably appropriate subject to prior consultation with SoftBank and compliance with the terms of the Confidentiality Agreement.

6.4 Reasonable Best Efforts; Regulatory Approvals.

(a) Subject to the terms and conditions of this Section 6.4, each of the parties hereto agrees to use its reasonable best efforts, and to cooperate with each other party hereto, to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, appropriate or desirable to complete and make effective, in the most expeditious manner practicable, the Transactions, including the satisfaction of the respective conditions set forth in Article VII, and to execute and deliver such other instruments and do and perform such other acts and things as may be necessary or reasonably desirable for effecting the completion of the Transactions.

(b) Subject to the terms and conditions of this Agreement, Parent, the Sellers and the Company will use their reasonable best efforts to take, or cause to be taken by their Affiliates or otherwise, all actions and to do, or cause to be done, all things necessary, proper or advisable under Applicable Law to consummate the Transactions as soon as reasonably practicable after the Agreement Date, including (i) prepare and file, in consultation with the other party and as promptly as reasonably practicable and advisable after the Agreement Date, all documentation to effect all necessary applications, notices, petitions, filings and other documents and to obtain as promptly as reasonably practicable all waiting period expirations or terminations, registrations, permits and authorizations necessary or advisable to be obtained from any Specified Regulatory Authority in order to consummate the Transactions and (ii) subject to Section 6.4(e) below, take all steps as may be reasonably necessary to obtain all waiting period expirations or terminations, registrations, permits and authorizations of any Specified Regulatory Authority.

(c) In furtherance and not in limitation of the foregoing, each party agrees (A) to make all necessary applications, notices, petitions and filings required with respect to this Agreement or the Transactions (I) in connection with the pre-merger notification under the HSR Act as promptly as practicable but in no case later than ten (10) Business Days after execution of this Agreement (unless another date is mutually agreed between the parties), (II) in connection with the Specified Regulatory Authorities (other than in the United States) as promptly as reasonably practicable after the execution of this Agreement (unless another date is mutually agreed between the parties), or where the ability to control timing of the application, notice, petition or filing is not within the control of the submitting party, commence pre-submission consultation procedures for, any applications, notices, petitions or filings with the Specified Regulatory Authorities (and thereafter make any other required submissions and respond as promptly as reasonably practicable to any requests for additional information or documentary material), (B) that Parent may reasonably determine any other filings that are required to be made or any other consents, approvals, permits or authorizations are required to be obtained from, any Governmental Entity pursuant to a change in any Applicable Law following the Agreement Date and (C) to promptly determine and agree whether any other filings are required or advised to be made with, and whether any other consents, approvals, permits or authorizations are required to be obtained from, including for reason of a change in any Applicable Law following the Agreement Date, any Governmental Entity under any other Applicable Law in connection with the Transactions, and if so, to prepare and file any such filings and to seek any such other consents, approvals, permits or authorizations (the filings described in the foregoing clauses (A), (B) and any filings agreed by the parties pursuant to (C) collectively, the “**Regulatory Filings**” and any authorizations, clearances, consents, approvals or expiration or early termination of the applicable waiting period with respect to such Regulatory Filings, the “**Regulatory Approvals**”). Parent shall pay any fees associated with the Regulatory Filings.

(d) If any Legal Proceeding is instituted challenging the Transactions as in violation of any Antitrust Law, the parties shall cooperate and use reasonable best efforts to contest and resist any such action, and shall use their reasonable best efforts to support one another in contesting and resisting any such action, and shall use their reasonable best efforts to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other governmental Order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents, limits or restricts consummation of the Transactions, unless Parent, after good faith consultation with the Sellers, concludes that litigation is not the best strategy for securing the Regulatory Approvals.

(e) In furtherance to and not in limitation of the foregoing, Parent, Acquirer, the Sellers and the Company shall use their reasonable best efforts to take or cause to be taken all lawful actions necessary to obtain the Regulatory Approvals of the Transactions or the expiration or termination of any applicable waiting periods (and any extension thereof) in connection therewith in order for the parties to consummate the Transactions prior to the Termination Date (as the same may be extended). Notwithstanding anything to the contrary contained herein, it is expressly understood and agreed that Parent and its Subsidiaries shall be under no obligation to (i) propose, negotiate, commit to, and/or effect, by consent decree, hold separate order, or otherwise, the sale, divestiture, transfer, license, disposition, or hold separate (through the establishment of a trust or otherwise) their assets, properties, or businesses or any assets, properties, or businesses to be acquired pursuant to this Agreement in order to avoid the entry of any lawful decree, judgment, injunction (permanent or preliminary), or any other lawful Order that would make the Transactions unlawful or would otherwise materially delay or prevent the consummation of the Transactions, (ii) terminate, modify, or assign existing relationships, Contracts, or obligations relating to any assets, properties, or businesses to be acquired pursuant to this Agreement, or (iii) change or modify any course of conduct regarding future operations of the assets, properties, or businesses to be acquired pursuant to this Agreement (any one of the foregoing, a “**Remedy**”), in each case except as set forth on Schedule 6.4(e) of the Seller Disclosure Letter. Neither Parent nor the Sellers shall be required to (and the Sellers and its Affiliates shall not, without Parent’s prior consent) agree to any term or take or omit to take any action in connection with obtaining the approval of any Governmental Entity that is not conditioned upon the consummation of the Share Purchase.

(f) To the extent requested by Parent, the Sellers and the Company and its Subsidiaries shall, make or enter into any Remedies, or any other actions reasonably determined by Parent, in each case as necessary to obtain the Regulatory Approvals of the Transactions or the expiration or termination of any applicable waiting periods (and any extension thereof) in connection therewith in order for the parties to consummate the Transactions; provided, that, (I) the Sellers, the Company and its Subsidiaries shall not enter into or make any such Remedies except as and to the extent requested in writing by Parent, (II) no party shall be required pursuant to the foregoing to commit to or effect any action that is not conditioned upon the consummation of the Share Purchase, and (III) the Sellers shall not be required pursuant to the foregoing to commit to or effect any material action or Remedy that are not limited exclusively in scope to the business of the Company.

(g) Each of Parent, the Sellers and the Company shall promptly inform the other of any material communication between such party and any Governmental Entity regarding any of the Transactions. Subject to Applicable Law relating to the exchange of information, (i) Parent shall have the ultimate right (A) to determine strategy and direct all matters with any Governmental Entity relating to the Transactions following consultation with the Sellers and (B) to review in advance, and direct the revision or submission of, any material communication (whether to be delivered verbally or in writing), filing, application, notification or document to be made by or submitted by the Sellers or the Company to any Governmental Entity under or relating to the Transactions, (ii) the Sellers shall have the right, to the extent feasible, to review in advance, any material communication (whether to be delivered verbally or in writing), filing, application, notification or document to be made by or submitted by Parent to any Governmental Entity under or relating to the Transactions and Parent shall consider in good faith the views of the Sellers with respect to such filings, (iii) the Sellers and the Company shall cooperate fully with Parent with respect to the strategy and direction of all matters related to Regulatory Filings and (iv) to the extent feasible, Parent shall consult with the Sellers and consider in good faith the views of the Sellers with respect to the strategy and direction of these matters, including considering in good faith the Sellers' and the Company's proposed communications, filings, applications, notifications or other documents. If Parent or any Affiliate of Parent receives any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to any of the Transactions, then Parent shall, following consultation with the Sellers, to the extent feasible, make or cause to be made, as soon as reasonably practicable, a response in compliance with such request (subject to Sellers' right to review any such material response in advance as set out above). If the Sellers, the Company or any of their Affiliates receive any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to any of the Transactions, then the Sellers shall, following consultation with Parent, to the extent feasible, make or cause to be made, a response in compliance with such request (subject to Parent's right to review, revise and approve any such material response in advance as set out above). The Sellers, the Company and their Affiliates shall not, without the prior written consent of Parent, (A) have any substantive contact or communication with any Governmental Entity relating to the Transactions or permit any of the Sellers' or the Company's Representatives to participate in any meeting with any Governmental Entity relating to the Transactions unless the Sellers consult with and receive approval of Parent in advance and, to the extent permitted by such Governmental Entity, grant Parent the opportunity to attend and lead the discussions at such contact, communication or meeting or (B) proffer, make proposals, negotiate, execute, carry out or submit to any agreements or Orders providing for any actions that would constitute a Remedy; provided, that, the Sellers shall, if directed by Parent, agree to any such action pursuant to Section 6.4(f) that is limited in scope to the business of the Company and conditioned on the consummation of the Transactions. Parent shall not have any substantive contact or communication with any Governmental Entity relating to the Transactions or permit any of Parent's Representatives to participate in any meeting with any Governmental Entity relating to the Transactions unless, to the extent feasible, Parent provides notice to the Sellers in advance and, to the extent permitted by such Governmental Entity, grants Sellers the opportunity to participate in such communication or attend such meeting. Without limiting the generality of the foregoing, each party shall provide to the other (or the other's respective advisors) upon request copies of all correspondence, white papers and similar submissions between such party and any Governmental Entity relating to the transactions contemplated by this Agreement. The parties may, as they deem

advisable and necessary, designate any competitively sensitive materials provided to another party under this Section 6.4 as “outside counsel only.” Such materials and the information contained therein shall be given only to outside counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient without the advance written consent of the party providing such materials.

6.5 Third-Party Consents; Notices.

(a) Following consultation with Parent, the Company shall use reasonable best efforts to obtain prior to the Closing, and deliver to Parent at or prior to the Closing, all consents, waivers and approvals required in connection with the Transactions and arising under each Contract listed or described on Schedule 6.5(a) of the Seller Disclosure Letter and as otherwise reasonably requested by Parent.

(b) Following consultation with Parent, the Company shall give all notices and other information required to be given to the employees of the Company and its Subsidiaries, any collective bargaining unit representing any group of employees of the Company or any of its Subsidiaries, and any applicable Governmental Entity and any other Applicable Law in connection with the Transactions.

(c) Without prejudice to the Company’s obligations pursuant to subsections (a) or (b) of the foregoing, the Company shall not seek to obtain any consents, waivers or approvals in connection with the Transaction from any customers or suppliers of the Company without the prior written consent of Parent. If and to the extent such approval is granted, the Company shall use its reasonable best efforts to consult with Parent in good faith in connection with seeking to obtain such consents, waivers or approvals.

6.6 Litigation. The Sellers and the Company shall (i) notify Parent in writing promptly after learning of any Legal Proceeding arising in connection with or related to this Agreement or the Transactions that is initiated by or against the Company or any of its Subsidiaries, or known by the Sellers or the Company to be threatened against the Company or any of its Subsidiaries, or any of its directors, officers or employees or the Sellers in their capacity as such (a “**New Litigation Claim**”), (ii) notify Parent of ongoing material developments in any New Litigation Claim and (iii) consult in good faith with Parent regarding the conduct of the defense of any New Litigation Claim.

6.7 Access to Information.

(a) During the Interim Period, (i) the Company shall (A) afford Parent and its Representatives reasonable access during normal business hours to the Company’s and each of its Subsidiaries’ properties, books, Contracts, records and accounting and financial information and systems, and to the Company and its Representatives; (B) use commercially reasonable efforts to make available the personnel of the Company and its Subsidiaries as reasonably requested by Parent and its Representatives; (C) furnish to Parent and its Representatives such financial and operating data and other information to the extent relating to the Company and its Subsidiaries as such Persons may reasonably request; and (D) furnish to Parent and its Representatives all other information concerning the business, properties, books, Contracts, records, accounting and financial information of the Company and each of its Subsidiaries as Parent may reasonably

request; provided, that, for the avoidance of doubt, a reasonable request for the purposes of this Section 6.7 shall be deemed to include any request made for the purposes of monitoring the compliance of the Sellers' and the Company's covenants herein, including pursuant to Sections 1.3, 5.1, 5.2, 6.16 and 6.17 and (ii) the Company and each of its Subsidiaries shall provide to Parent and its Representatives, upon reasonable request, true, correct and complete copies of the Company's and each of its Subsidiaries' Tax Returns, Tax elections and all other records and work papers relating to Taxes, (B) a schedule of any deferred intercompany gain or loss with respect to transactions to which the Company or any of its Subsidiaries has been a party and (C) receipts for any Taxes paid to foreign Tax Authorities by the Company or any of its Subsidiaries.

6.10 Employees.

(a) Prior to the Closing, Parent, Acquirer or their Affiliates will extend offers of employment (contingent on the occurrence of the Closing) to the U.S. Employees. Each U.S. Employee who receives and accepts an offer of employment with Parent, Acquirer or one of their Affiliates and commences employment with Parent, Acquirer or one of their Affiliates at the Closing, and each other Company Employee whose employment with the Company or a Subsidiary thereof continues pursuant to Applicable Law following the Closing, is referred to herein as a "*Continuing Employee*." The Company will consult with Parent and Acquirer (and will consider in good faith the advice of Parent) prior to sending any notices or other communication materials to its employees or any works council, employee representative or other employee representative bodies representing the employees regarding the Transactions. The Company will and will procure that its Subsidiaries shall comply with all obligations it has to inform or consult with any such Persons regarding the Transactions, and Parent, Acquirer and their Affiliates will provide such information as is reasonably requested by the Company and necessary or desirable for the Company or its Subsidiaries to comply with all such information or consultation obligations.

(b) Immediately prior to the Closing, the Company and its Subsidiaries shall terminate the employment of each U.S. Employee for all purposes contingent upon and effective as of the Closing, and pay in full to the U.S. Employees any and all compensation and benefits, including, without limitation, base salary, wages, bonuses, commissions and other forms of incentive compensation, vacation and paid-time-off and other employee benefits (except, in the case of tax-qualified employee benefits, to the extent vested and payable in a subsequent year in accordance with the terms of the applicable plan), in each case, that have been earned or accrued, as applicable, through the Closing Date (the "*Accrued Amounts*" and all such Accrued Amounts consisting of vacation, the "*U.S. Accrued PTO*"). The U.S. Accrued PTO shall be paid by the Company and/or its Subsidiaries on or after the Closing Date (in accordance with Applicable Law), following the Cash Sweep calculated in accordance with Section 6.9(c). For the avoidance of doubt, payment of the U.S. Accrued PTO is not a Closing Cash Use for purposes of Section 6.9(c).

(c) Subject to Applicable Law, during the period beginning on the date of this Agreement and ending on the Closing Date, the Company and its Subsidiaries and Parent and its Subsidiaries shall mutually cooperate with respect to the retention of Company Employees through and after the Closing Date and with respect to assisting Parent and its Subsidiaries in making offers to U.S. Employees. Without limiting the foregoing, the Company shall, and shall cause its Subsidiaries to, provide to Parent information related to the Company Employees and Company Employee Plans that is reasonably requested by Parent and necessary or desirable for Parent to integrate the Continuing Employees into a combined business with Parent following the Closing, in each case subject to Applicable Law.

(d) During the period beginning on the Closing Date and ending on the first anniversary of the Closing Date and except as otherwise required by Applicable Law or by collective bargaining agreement, works council arrangement or other labor union Contract, Parent shall provide each Continuing Employee with (i) annual total target compensation that is substantially comparable, in the aggregate, to the annual total target compensation (taking into account base salary or wages and recurring cash and equity incentive opportunities) that was provided to such Continuing Employee immediately prior to the Closing and (ii) defined contribution retirement (401(k)), health and welfare benefits that are no less favorable, in the aggregate, either (A) to those provided to similarly-situated employees of Parent and Parent's Affiliates, or (B) to those provided to such Continuing Employee immediately prior to the Closing.

(e) Parent agrees that, from and after the Closing, Parent shall and shall cause the Company and its Subsidiaries to grant each Continuing Employee credit for all service with the Company or any of its Subsidiaries (and any predecessors thereto) prior to the Closing for eligibility and vesting purposes for purposes of statutory employee benefit and severance plans, agreements, arrangements, programs and policies established or maintained by Parent or any of its Affiliates on or after the Closing (to the same extent as such credit was recognized prior to the Closing under comparable Company Employee Plans), except where granting such credit would result in a duplication of benefits.

(f) In addition, Parent hereby agrees that Parent shall use commercially reasonable efforts to (i) cause to be waived all pre-existing condition exclusion and actively-at-work requirements and similar limitations, eligibility waiting periods and evidence of insurability requirements under any medical or welfare benefit plan or program maintained by Parent or any of its Affiliates on or after the Closing in which the Continuing Employees participate (the "**New Plans**") to the extent waived or satisfied by a Continuing Employee (or covered dependent thereof) under the corresponding Company Employee Plan as of the Closing and (ii) cause any deductible, co-insurance and out-of-pocket covered expenses paid on or before the date of initial participation by any Continuing Employee (or covered dependent thereof) to be credited for purposes of satisfying applicable deductible, coinsurance and maximum out-of-pocket provisions after the date of initial participation under such New Plans in the year of initial participation (to the same extent such credit would have been given under comparable Company Employee Plans prior to the Closing).

(g) Nothing contained in this Agreement (including Sections 6.10, 6.11, 6.12 and 6.13) shall, or shall be construed so as to, (i) prevent or restrict in any way the right of Parent or Acquirer to terminate, reassign, promote or demote any employee, consultant, director or other service provider (or to cause any of the foregoing actions) at any time following the Closing, or to change (or cause the change of) the title, powers, duties, responsibilities, functions, locations, salaries, other compensation or terms or conditions of employment or service of any such employee, consultant, director or other service provider at any time following the Closing, (ii) constitute an amendment or modification of any Company Employee Plan or other employee benefit plan, (iii) create any third-party rights in any such current or former employee, consultant, director or other service provider (including any beneficiary or dependent thereof), (iv) obligate Parent or any of its Affiliates to adopt or maintain any particular plan or program or other compensatory or benefits arrangement at any time or prevent Parent or any of its Affiliates from modifying or terminating any such plan, program or other compensatory or benefits arrangement at any time, or (v) limit or modify the obligations of Parent, the Company or any of their respective Subsidiaries or Affiliates under Applicable Law or any applicable collective bargaining agreement, works council arrangement or other labor union Contract.

6.11 Amendment and Termination of Certain Company Employee Plans.

(a) Effective no later than the day immediately preceding the Closing Date, the Company shall procure that (i) the Board (or an applicable committee thereof) amends (A) the Company Equity Plans to the extent necessary (taking into account any expected lapse of Awards granted thereunder and/or any cash election) to ensure that all Awards can be satisfied in cash at Closing, and (B) the French Sub-Plan, such that rule 5 (*Death of a Participant*) of the French Sub-Plan shall cease to have effect and any heir of a deceased French Sub-Plan Participant shall not be entitled to make a Request (as defined in rule 5.1 of the French Sub-Plan), and (ii) the Board (or an applicable committee thereof) determines that all Awards will be satisfied in cash at the Closing. If, on or after the Agreement Date but prior to amendment of the French Sub-Plan in accordance with (B) above, a deceased French Sub-Plan Participant's heir makes a Request, subject to Applicable Law, the Company shall take all actions necessary, desirable or reasonably requested by Acquirer to ensure that any Ordinary A Shares issued pursuant to a Request are acquired by the Company prior to the Closing in accordance with the Organizational Documents. Effective as of the Closing (but without prejudice to the payment by the Company of the Closing Employee Cash Plan Payments and the Equity Plan Payments), the Company or its Subsidiaries shall terminate the Annual Bonus Plan, the Exceptional Outcome Award Policy, the Partnership Bonus & Performance Accelerator Scheme, the Launch Award Scheme, the All-Employee Plan 2019, the French Sub-Plan to the All-Employee Plan 2019, the Executive IPO Plan 2019 (without payment of any Awards thereunder) and the Company EC Sale Plan, in each case to the extent that any such Company Employee Plan does not terminate automatically as of the Closing pursuant to its terms.

(b) Effective no later than the day immediately preceding the Closing Date, the Company or its Subsidiaries shall terminate all Company Employee Plans intended to qualify as cash or deferred arrangements under Section 401(k) of the Code but such termination may be contingent on consummation of the Transactions.

(c) The Company shall provide Parent with evidence (i) of the amendment of the Company Equity Plans and termination of the Company Employee Plans in accordance with this Section 6.11 pursuant to resolutions of the Board (or an applicable committee thereof), and (ii) that the Company or its Subsidiaries have taken all other actions (including providing all notices and obtaining all consents) that are necessary, desirable or reasonably requested by Acquirer to accomplish the termination of such plans. The Company shall consult with Parent in respect of the form and substance of any such resolutions, notices and consents and consider in good faith all amendments or modifications reasonably required or requested by Parent.

6.12 Post-Closing RSU Awards. Following the Closing, Parent shall grant restricted stock units covering Parent Stock ("**Parent RSUs**") with an aggregate grant-date value not to exceed \$1,500,000,000 to certain Continuing Employees (subject to such Continuing Employees' continued employment with Parent or one of its Subsidiaries through the grant date), pursuant to Parent's Amended and Restated 2007 Equity Incentive Plan (the "**Parent Equity Plan**") and a restricted stock unit award agreement between Parent and each such Continuing Employee (together with the Parent Equity Plan, the "**Parent RSU Documents**"). The Parent RSUs shall be allocated among the Continuing Employees as mutually agreed between the Company and Parent, and shall be subject to the vesting and other terms and conditions set forth in the Parent RSU Documents.

6.13 Employee Retention Bonuses; EC Sale Plan Payments.

(a) No later than sixty (60) days prior to the Closing, the Company shall establish a retention cash bonus pool of an amount equal to \$500,000,000 less the Equity Plan Payments (the “**Retention Bonus Pool**”) for the payment of retention cash bonuses and the employer portion of any related payroll taxes, national insurance, social security (or similar) contributions or levies to Continuing Employees payable on the first year anniversary of the Closing and (i) subject to the applicable Continuing Employee’s continued employment with the Company or its Subsidiaries (or Parent and its Subsidiaries, including the Company or its Subsidiaries) through the applicable payment date, (ii) allocated from the Retention Bonus Pool to the relevant Company Employees (who shall be notified by Parent to the Company within twenty (20) days prior to the establishment of the Retention Bonus Pool) as mutually agreed between the Company and Parent and (iii) subject to the terms and conditions set out in Exhibit L attached hereto (such bonuses, the “**Post-Closing Employee Retention Bonuses**”).

(b) Parent and the Company shall cooperate regarding all communications to be sent to Continuing Employees in relation to the Post-Closing Employee Retention Bonuses.

(c) Following the payment of the Post-Closing Employee Retention Bonuses in accordance with their terms, Parent shall reimburse the Sellers for any remaining balance of the Retention Bonus Pool.

(d) Promptly following the payment of the EC Sale Plan Payments by the Company and its applicable Subsidiaries in accordance with their terms (and in any event within five (5) Business Days of such payments), the Sellers shall reimburse Parent by wire transfer of immediately available funds for the amount of such EC Sale Plan Payments to the applicable bank account designated by Parent.

6.14 Tax Matters.

(a) Tax Cooperation.

(i) Each of Parent, Acquirer, the Sellers and the Company agree to (and the Company shall cause each of its Subsidiaries to) furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to Taxes (for the avoidance of doubt, such cooperation shall include the retention and provision of information and documents required to support the Intended Tax Treatment), including, access to books and records, as is reasonably necessary for the filing of all Tax Returns by Parent, Acquirer, the Company and its Subsidiaries or the Sellers, the making of any election relating to Taxes, the preparation for any audit by any Tax Authority and the prosecution or defense of any claim, suit or proceeding relating to any Tax (including, for the avoidance of doubt, any Tax Matter (as defined in Section 6.14(g))). Each of Parent, Acquirer, the Sellers and the Company shall (and the Company shall cause each of its Subsidiaries to) retain all books and records with respect to Taxes for a period of at least seven (7) years following the Closing Date.

(ii) Each Seller shall use commercially reasonable efforts to cause its (direct and indirect) owners to cooperate fully with Parent and Acquirer in connection with the matters described in Section 6.14(a)(i), including in the preparation of reasonable documentation to support the Intended Tax Treatment.

(b) Each Seller and the Company further agree, upon request, to use its reasonable best efforts to obtain, or, in the case of the Company, to cause its Subsidiaries to use their reasonable best efforts to obtain, any certificate or other document from any Governmental Entity or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the Transactions).

(c) The Sellers shall prepare and timely file, or shall cause to be prepared and timely filed, all Tax Returns in respect of the Company or any of its Subsidiaries that are required to be filed (taking into account any extension) on or before the Closing Date, and shall pay, or cause to be paid, all Taxes of the Company and its Subsidiaries due on or before the Closing Date. Such Tax Returns shall be prepared by treating items on such Tax Returns in a manner consistent with the Ordinary Course with respect to such items, except as required by Applicable Law. At least fifteen (15) days prior to filing any CT600 or Form 1120 Tax Return of the Company and its Subsidiaries, the Sellers shall submit a draft of such Tax Return, including, for the avoidance of doubt, any supplemental documents, supporting schedules and computations and working papers and group relief matrix, to Parent for Parent's review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The Sellers shall consider in good faith any comment that Parent submits to the Sellers no less than five (5) Business Days prior to the due date of such Tax Returns.

(d) Parent shall prepare and timely file, or shall cause to be prepared and timely filed, each Tax Return in respect of the Company or any of its Subsidiaries that relates to a taxable period ending on or before the Closing Date but that is required to be filed after the Closing Date, and the Sellers shall pay, or cause to be paid, all Taxes due with respect to such Tax Return. Such Tax Returns shall be prepared by treating items on such Tax Returns in a manner consistent with the Ordinary Course with respect to such items, except as required by Applicable Law. Parent shall deliver at least fifteen (15) days prior to the due date (taking into account any extension) for the filing of such Tax Returns with respect to Taxes for which the Sellers are responsible pursuant to this Agreement to the Sellers for the Sellers' review and approval, which approval shall not be unreasonably withheld, conditioned or delayed, a draft of such Tax Returns. Parent shall consider in good faith any comment that the Sellers submit to Parent no less than five (5) Business Days prior to the due date of such Tax Returns. The Sellers shall make the payment due to Parent under this Section 6.14(d) at least two (2) Business Days before payment of Taxes (including estimated Taxes) is due to the Tax Authority, but only to the extent that such Taxes are not otherwise described in Section 9.3(i).

(e) Parent shall prepare and timely file, or cause to be prepared and timely filed, each Tax Return (a "**Straddle Period Tax Return**") required to be filed by the Company or its Subsidiaries for a Straddle Period. Such Tax Returns shall be prepared by treating items on such Tax Returns in a manner consistent with the Ordinary Course, with respect to such items, except as required by Applicable Law. Parent shall deliver at least ten (10) days prior to the due date for the filing of such Straddle Period Tax Return with respect to Taxes for which the Sellers are

responsible pursuant to this Agreement (or, if such Straddle Period Tax Returns are due within less than ten (10) days after the Closing Date, as soon as reasonably practicable) to the Sellers for the Sellers' review and approval, which approval shall not be unreasonably withheld, conditioned or delayed, a draft of such Tax Return. Parent shall consider in good faith any comment that the Sellers submit to Parent no less than three (3) Business Days prior to the due date of such Tax Returns (or, if such Straddle Period Tax Returns were provided less than ten (10) days prior to the due date, as soon as reasonably practicable). With respect to any Straddle Period Tax Return prepared by Parent pursuant to this Section 6.14(e), the Sellers shall pay to Parent the amount of Taxes shown as due on such Straddle Period Tax Return that are allocable to the pre-Closing portion of the Straddle Period (as determined pursuant to the principles set forth in Section 6.14(f) at least two (2) Business Days before payment of such Taxes (including estimated Taxes) is due to the Tax Authority, but only to the extent that such Taxes are not otherwise described in Section 9.3(i)).

(f) For purposes of this Agreement, the portion of any Tax that is allocable to the taxable period that is deemed to end on the Closing Date will be: (i) in the case of Property Taxes, deemed to be the amount of such Taxes for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days of such Straddle Period in the Pre-Closing Tax Period and the denominator of which is the number of calendar days in the entire Straddle Period, and (ii) in the case of all other Taxes, determined as though the taxable year of the Company or its Subsidiaries terminated at the close of business on the Closing Date.

(g) Tax Contests.

(i) Parent, Acquirer, the Company and its Subsidiaries, on the one hand, and the Sellers and their Affiliates, on the other hand, shall promptly notify each other upon receipt by such party of written notice of any inquiries, claims, assessments, audits or similar events with respect to Taxes of the Company and its Subsidiaries for which the other party would reasonably be expected to be responsible under this Agreement (any such inquiry, claim, assessment, audit or similar event, a "**Tax Matter**"). Any failure to so notify the other party of any Tax Matter shall not relieve such other party of any liability with respect to such Tax Matters except to the extent such party was actually and materially prejudiced as a result thereof.

(ii) Parent (and its Affiliates) shall have the right to control the conduct of any Tax Matters; provided, that, if a Tax Matter relates to Taxes for which a Seller is responsible pursuant to this Agreement (i) Parent shall use commercially reasonable efforts to defend such Tax Matter diligently and in good faith as if it were the only party in interest in connection with such Tax Matter, (ii) the Sellers shall have the right to fully participate (at their sole cost and expense) in the conduct of such Tax Matter at all administrative, appellate and other dispute resolution stages, (iii) Parent shall keep the Sellers reasonably informed and consult in good faith with the Sellers with respect to any material issue relating to such Tax Matter, (iv) Parent shall provide or forward all written communications from the relevant Tax Authority to the Sellers and offer the Sellers an opportunity to comment on any written materials in connection with such Tax Matter prior to such materials being furnished or submitted and shall consider any such comments in good faith, (v) Parent shall offer the Sellers an opportunity to participate in any phone conversations or meetings with the relevant Tax Authority and (v) Parent shall not settle such Tax Matter without the consent of the Sellers, which consent shall not be unreasonably withheld, conditioned or delayed.

(iii) In the event of a conflict between the provisions of this Section 6.14(g) and Section 9.7, the provisions of this Section 6.14(g) shall control.

(h) The Company shall, upon Parent's reasonable request, cooperate in good faith and to (i) make any entity classification election pursuant to the Treasury Regulations under Section 7701 of the Code in respect of the Company or any Subsidiary of the Company at such time and pursuant to such documentation provided by Parent, and (ii) undertake any other internal restructuring of its Subsidiaries, in each case, as specified by Parent in writing; provided, however, that (i) such entity classification election shall have an effective date no earlier than the satisfaction of the conditions set forth in Section 7.1 and Section 7.2 and no later than one day prior to the Closing Date (ii) any Taxes and out-of-pocket costs and expenses incurred in connection with any such actions or transactions other than pursuant to the Reorganizations shall be promptly paid or reimbursed by Parent and (iii) the Company shall not be required to file any such election prior to the Closing Date. At the reasonable request of Parent, the Sellers shall provide such forms or other documentation, including after the Closing Date, as required by Treasury Regulations Section 301.7701-3(c)(2).

(i) The Sellers shall be entitled to any cash refunds of any Taxes actually received for which the Sellers are responsible under this Agreement (net of any Tax or regulatory cost arising as a result thereof, any cost incurred in preparing any claim for such refund and any amount of such cash that is subject to any regulatory restriction on its distribution), except to the extent that (i) such refund was reflected as an asset in the Company Closing Financial Certificate or (ii) such refund is attributable to the carryback of a Tax attribute (including a net operating loss, net capital loss, foreign tax credit, or research and development credit) arising in a tax period other than a Pre-Closing Tax Period, and the carryback of such Tax attribute does not reduce the amount of any refund that would otherwise be received by the Sellers. Any such refunds of Taxes of the Company and its Subsidiaries for any Straddle Period shall be equitably apportioned between the Sellers and Parent in accordance with the principles set forth in Section 6.14(f). In the event that Parent or any of its Affiliates (including, after the Closing, the Company and its Subsidiaries) receives such a refund to which the Sellers are entitled pursuant to the first sentence of this Section 6.14(m), Parent shall pay or cause to be paid such amounts (including any interest paid thereon) to the Sellers in accordance with their respective Pro Rata Shares within ten (10) days of the receipt of the refund.

(j) If either Parent or the Sellers are or become aware of any fact or circumstance that such party may reasonably expect would cause the Share Purchase to not qualify for the Intended Tax Treatment at the Closing Date, then such party shall promptly notify the other parties. The Company and the Sellers agree to execute certificates containing reasonably requested representations, assumptions and undertakings at such time or times as may be reasonably requested by Tax counsel of Parent that are in form and substance acceptable to Parent in connection with the Intended Tax Treatment. The parties agree to treat and report the transactions contemplated by this Agreement, for all United States federal and applicable state, local and non-United States income Tax purposes (including on all applicable Tax Returns), in accordance with the Intended Tax Treatment, except upon a contrary final determination by an applicable Tax Authority or as otherwise required by applicable non-United States Tax law.

(k) Notwithstanding anything to the contrary contained in this Agreement, Parent in its sole and absolute discretion shall be permitted to (but shall have no obligation to) make or cause any of its Affiliates (including the Company and its Subsidiaries) to make elections under Section 338 of the Code with respect to the Share Purchase. The Sellers shall cooperate in good faith with Parent and its Affiliates (including the Company and its Subsidiaries) and use their commercially reasonable efforts to provide Parent and its Affiliates (including the Company and its Subsidiaries) with any assistance reasonably requested by Parent in connection with making such elections with respect to the Company or its Subsidiaries. In the event of a statutory change in Law to Section 338 of the Code affecting the calculation of Taxes of the Company or its Subsidiaries which, based on documentation reasonably satisfactory to Parent and provided by the Sellers, would have a materially adverse impact on the Sellers, Parent agrees to consult with the Sellers, and consider the consequences of any election under Section 338 of the Code with respect to the Share Purchase under this Agreement.

(l) Post-Closing Actions. Except as required by Applicable Law or in the Ordinary Course (as determined, in each case, in good faith following consultation with the Sellers), without the prior written consent of the Sellers (which consent shall not be unreasonably withheld, conditioned, or delayed), in each case to the extent such action would reasonably be expected to materially increase Taxes for which the Sellers are liable pursuant to this Agreement, Parent shall not, and shall not permit any of its Affiliates (including, after the Closing, the Company and its Subsidiaries), to: (i) cause the Company or any of its Subsidiaries to take any action on the Closing Date after the Closing outside of the Ordinary Course (other than actions contemplated by this Agreement), (ii) amend any Tax Return of the Company or its Subsidiaries for any Pre-Closing Tax Period, (iii) make any Tax election (other than any election under Section 338 of the Code for the Company or its Subsidiaries with respect to the Share Purchase or any election described under Section 6.14(h)) with respect to the Company or its Subsidiaries, which Tax election would be effective for any Pre-Closing Tax Period, (iv) voluntarily approach any Tax Authority on or after the Closing Date with respect to any Tax position taken by the Company or its Subsidiaries on a Tax Return solely with respect to a Tax period ending on or before the Closing Date or (v) change any annual Tax accounting period or adopt or change any material Tax accounting method, in each case, with respect to a Pre-Closing Tax Period.

(m) The Sellers shall provide any reasonably requested Code Section 1445 or Code Section 1446(f) certificates with respect to any Subsidiary of the Company taking into account transactions contemplated by this Agreement.

(n) The Company and the Sellers shall, upon Parent's reasonable request, cooperate in good faith with Parent to determine whether the Company is a "passive foreign investment company" within the meaning of Section 1297 of the Code for the taxable year including the Closing Date (determined as if the taxable year of the Company ended on the Closing Date) and provide such reasonable representations and documentation as Parent may request with respect to such determination.

6.15 280G Shareholder Approval. (c) by either Parent or the Sellers, by written notice to the other, if any Order of a Governmental Entity has permanently enjoined or prohibited the Share Purchase under Applicable Law, and such Order has become final and non-appealable; provided, that, a party shall not be entitled to terminate this Agreement under this Section 8.1(c) if such party has materially breached any covenant, agreement or obligation hereunder and that breach has been a primary cause of the injunction or prohibition;

(d) by Parent, by written notice to the Sellers, if (i) there shall have been an inaccuracy in any representation or warranty made by, or a breach of any covenant, agreement or obligation of the Company or any of the Sellers herein, such that any condition set forth in Sections 7.3(a) or (b) is not reasonably capable of being satisfied while such inaccuracy or breach is continuing, and (ii) either such inaccuracy or breach is not capable of cure in a manner sufficient to allow satisfaction of the conditions set forth in Sections 7.3(a) or (b) prior to the Termination Date or at least forty-five (45) days have elapsed since the receipt by the Sellers of written notice of such inaccuracy or breach from Parent describing such inaccuracy or breach in reasonable detail, and such inaccuracy or breach has not been cured in all material respects, provided, that, Parent shall not be permitted to terminate this Agreement pursuant to this Section 8.1(d) if there has been any material breach by Parent or Acquirer of its representations, warranties or covenants contained in this Agreement, and such breach has not been cured in all material respects; or

(e) by the Sellers, by written notice to Parent, if (i) there shall have been an inaccuracy in any representation or warranty made by, or a breach of any covenant, agreement or obligation of Parent herein, such that any condition set forth in Sections 7.2(a) or (b) is not reasonably capable of being satisfied while such inaccuracy or breach is continuing, and (ii) either such inaccuracy or breach is not capable of cure in a manner sufficient to allow satisfaction of the conditions set forth in Sections 7.2(a) or (b) prior to the Termination Date or at least forty-five (45) days have elapsed since the receipt by Parent of written notice of such inaccuracy or breach from the Sellers describing such inaccuracy or breach in reasonable detail, and such inaccuracy or breach has not been cured in all material respects, provided, that, the Sellers shall not be permitted to terminate this Agreement pursuant to this Section 8.1(e) if there has been any material breach by the Sellers of its representations, warranties or covenants contained in this Agreement, and such breach has not been cured in all material respects.

8.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 8.1, this Agreement shall forthwith become void and there shall be no Liability on the part of Parent, Acquirer, the Sellers, the Company or their respective officers, directors, shareholders or Affiliates; provided, that, (i) Section 6.3 (Confidentiality; Public Disclosure), this Section 8.2 (Effect of Termination), Section 8.3 (Termination for Material Breach), Article X (General Provisions) and any related definition provisions herein or referenced in Exhibit A and the Confidentiality Agreement shall remain in full force and effect and survive any termination of this Agreement and (ii) nothing herein shall relieve any party hereto from Liability in connection with any fraud by or on behalf of, or a willful breach of any covenant, agreement or obligation of, such party. As used herein, “**willful breach**” means an action taken or failure to act that the breaching party willfully and intentionally takes (or fails to take) and actually knows would, or would reasonably be expected to, be or cause a material breach of this Agreement.

8.3 Termination for Material Breach.

(a) If this Agreement is terminated (i) by Parent pursuant to Section 8.1(d) or (ii) (A) otherwise pursuant to Section 8.1 and (B) at the time of such termination, Parent is entitled to terminate this Agreement pursuant to Section 8.1(d), then the Sellers shall, or shall cause the Company to, refund to Parent by transfer of immediately available funds to the applicable bank account designated by Parent (x) if such termination was by the Sellers, prior to or substantially concurrently with, and as a condition to, such termination, or (y) if such termination was by Parent, within five (5) Business Days of such termination, a portion of the Signing Consideration in amount in cash equal to the Deposited Amount (the “**Deposit Refund**”).

(b) In the event any amount is payable by the Company pursuant to Section 8.3(a), such amount shall be paid by wire transfer of immediately available funds to an account designated by Parent.

(c) The Sellers and the Company acknowledge that (A) the agreements contained in this Section 8.3 are an integral part of the Transactions, and that without this Section 8.3, Parent and Acquirer would not have entered into this Agreement, (B) the Deposit Refund is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Parent in the circumstances set forth in Section 8.3(a) for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions and (C) Parent and its Affiliates may be entitled to any other rights and remedies pursuant to Section 8.2. If the Sellers or the Company fail to promptly pay any amount due pursuant to this Section 8.3, the Sellers or the Company shall pay to Parent all reasonable fees, costs and expenses of enforcement (including reasonable attorney’s fees as well as reasonable expenses incurred in connection with any action initiated by Parent), together with interest on the amount of the Deposit Refund at the prime lending rate as published in *The Wall Street Journal*, in effect on the date such payment is required to be made.

Article IX
ESCROW FUND AND INDEMNIFICATION

9.1 Escrow Fund.

(a) At the Closing, Parent shall withhold the Escrow Amount from the Closing Stock Consideration payable pursuant to Section 1.2(a) and shall deposit the Escrow Amount with U.S. Bank N.A. (or another institution selected by Parent and reasonably acceptable to the Sellers) as escrow agent (the “**Escrow Agent**”) (the aggregate value of the Escrow Amount so held by Escrow Agent from time to time, the “**Escrow Fund**”), which Escrow Fund shall be governed by this Agreement and the Escrow Agreement. The Escrow Fund shall constitute partial security for the benefit of Parent and Acquirer (on behalf of itself or any other Indemnified Person) with respect to any indemnifiable Damages pursuant to the indemnification obligations of the Sellers (each a “**Seller Indemnifying Party**” and, together with Parent, an “**Indemnifying Party**”) under this Article IX. Subject to Section 9.4, the Escrow Agent shall hold the Escrow Fund until 11:59 p.m. Pacific Standard Time on the date (the “**Escrow Release Date**”) that is nine (9) months after the Closing. None of the parties will receive interest or other earnings on the Escrow Fund. Neither the Escrow Fund (including any portion thereof) nor any beneficial interest therein may be pledged, subjected to any Encumbrance, sold, assigned or transferred by any party or be taken or reached by any legal or equitable process in satisfaction of any debt or other Liability of any party, in each case prior to the distribution of the Escrow Fund to such party in accordance with this Article IX.

(b) Within five (5) Business Days following the Escrow Release Date, the Escrow Agent, pursuant to the terms of the Escrow Agreement, will distribute to each Seller such Seller's Pro Rata Share of the Escrow Fund, in each case less that portion of the Escrow Fund that is determined in good faith, in the reasonable judgment of Parent, to be necessary to satisfy all unsatisfied or disputed claims for indemnification specified in any Claim Certificate delivered by Parent to the Sellers on or prior to the Escrow Release Date in accordance with this Article IX, which portion shall remain in the Escrow Fund until such claims for Damages have been resolved or satisfied. Any portion of the Escrow Fund held by the Escrow Agent following the Escrow Release Date with respect to pending but unresolved claims for indemnification that is not awarded to Parent upon the resolution of such claims shall be distributed by the Escrow Agent to the Sellers within five (5) Business Days following resolution of such claims and in accordance with such Seller's Pro Rata Share of such portion of the Escrow Fund.

9.2 Indemnification.

(a) Subject to the limitations set forth in this Article IX, from and after the Closing, the Seller Indemnifying Parties shall severally and not jointly (in proportion to each such Seller Indemnifying Party's Pro Rata Share), indemnify and hold harmless Parent, Acquirer, the Company and their Subsidiaries and their respective Affiliates, officers, directors, employees, agents and representatives (each of the foregoing being referred to as a “**Parent Indemnified Person**”) from and against, and shall compensate and reimburse each Indemnified Person for, any and all losses, liabilities, damages, claims, fees, Taxes, interest, costs and expenses (including costs of investigation, defense and enforcement and reasonable fees and expenses of counsel, experts and other professionals), whether sustained, incurred or otherwise suffered directly or indirectly and whether or not due to a Third-Party Claim, but in each case excluding any punitive or exemplary damages, in each case unless such damages are actually awarded to a Third Party (collectively, “**Damages**”), arising out of, resulting from or in connection with:

(i) any breach or failure to be true and correct of any representation or warranty made by the Company or any of the Sellers in Article II or Article III (I) as of the Agreement Date or (II) as of the Closing Date as though such representation or warranty were made as of the Closing Date (except in the case of representations and warranties that by their terms speak only as of a specific date or dates, which representations and warranties shall be true and correct as of such date or dates), in each case, except for the representations and warranties set forth in Section 2.4(f) (ii), without giving effect to any limitation or qualification as to “materiality,” “material,” “Company Material Adverse Effect” or similar qualifiers set forth in such representation or warranty for purposes of determining whether there has been a breach or failure to be true and correct or for purposes of determining the amount of Damages resulting from, arising out of or relating to such breach or failure to be true and correct;

(ii) (A) any breach or failure to be true and correct of any certification, representation or warranty made by the Company or any of the Sellers in the certificate to be delivered to Parent or Acquirer with respect to the condition set forth in Section 7.3(a) as of the date such certificate is delivered to Parent or Acquirer and (B) any breach or failure to be true and correct of any certification, representation or warranty made by the Company or any of the Sellers in any other certificate required to be delivered to Parent or Acquirer at the Closing pursuant to any provision of this Agreement to be true and correct as of the date such certificate is delivered to Parent or Acquirer;

(iii) any breach of, or default on, any of the covenants, agreements or obligations made by the Sellers or the Company herein that are by their nature to be performed prior to the Closing;

(iv) any inaccuracies in the Spreadsheet or, to the extent resulting in any amount of Cash Shortfall that is not deducted from the Closing Cash Consideration, in the Company Closing Financial Certificate;

(v) any Leakage in breach of Section 6.9(a);

(vi) (A) any Pre-Closing Taxes, (B) any Seller Transaction Taxes, (C) any Taxes of any Person (other than the Company and its Subsidiaries) for which the Company or any of its Subsidiaries is liable under Treasury Regulations Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, or by Contract (other than any Non-Tax Contract) or by operation of law, in each case, only to the extent the relationship or transaction giving rise to such liability first arose prior to the Closing Date, (D) any Deemed Tax Liability, (E) any Taxes of the Sellers or of their direct or indirect owners (including any direct or indirect capital gains Taxes arising as a result of the transactions contemplated by this Agreement) and (F) any Taxes for which Parent, Acquirer or any of their respective assigns or Affiliates is liable under applicable Tax Laws in connection with any payment made to the Sellers, the Company, its Subsidiaries or any of the foregoing's respective Affiliates pursuant to the terms of this Agreement, including, for the avoidance of doubt, any Taxes owed by reason of Parent, the Acquirer or any of their respective assigns or Affiliates being a withholding agent pursuant to applicable Tax Laws;

(vii) any noncompliance with, violation of or failure to satisfy the 2016 POU, including for any Damages incurred by or on behalf of any Parent Indemnified Person that arise from or relate to any investigation, corrective action or remediation undertaken in connection with such noncompliance with, violation of or failure to satisfy;

(viii) (A) all Liabilities of the ISG Business, whether accruing prior to, on or after Closing, and (B) all Liabilities arising out of or relating to the Reorganizations, the ISG Reorganization Agreements or the Reorganization Plans (other than, for the avoidance of doubt, Liabilities directly resulting from the Company's failure to comply with its obligations under the ISG License Agreement and the ISG TSA), and

(ix) the matter set forth on Schedule 9.2(a)(ix) of the Seller Disclosure Letter.

in each case, for the avoidance of doubt, without duplication of any amounts deducted in the calculation of the Cash Sweep (or, if applicable, from the Closing Cash Consideration), pursuant to Sections 6.9(b) and 6.9(c).

(b) Subject to the limitations set forth in this Article IX, from and after the Closing, Parent shall indemnify and hold harmless the Sellers and their respective officers, directors, agents, representatives and employees (each of the foregoing being referred to as a "***Seller Indemnified Person***") and together with a Parent Indemnified Person, as an "***Indemnified Person***") from and against, and shall compensate and reimburse each Seller Indemnified Person for, any and all Damages, arising out, resulting from or in connection with:

(i) any breach or failure to be true and correct of any representation or warranty made by Parent or Acquirer in Article IV (I) as of the Agreement Date or (II) as of the Closing Date as though such representation or warranty were made as of the Closing Date (except in the case of representations and warranties that by their terms speak only as of a specific date or dates, which representations and warranties shall be true and correct as of such date or dates);

(ii) any breach or failure to be true and correct of any certification, representation or warranty made by Parent or Acquirer in any certificate required to be delivered to the Sellers or the Company at the Closing pursuant to any provision of this Agreement to be true and correct as of the date such certificate is delivered to the Sellers or the Company; and

(iii) any breach of, or default on, any of the covenants, agreements or obligations made by Parent or Acquirer herein that are by their nature to be performed prior to the Closing.

9.3 Damages Threshold; Other Limitations.

(a) Claims for Damages made by a Parent Indemnified Person under clauses (i) or (ii)(A) of Section 9.2(a) (other than a breach of the Special Representations) (the “**General Claims**”) shall be recovered solely as follows: (i) first, from the Escrow Fund until the amount thereof has been exhausted or has been released to the Sellers in accordance with Section 9.1, and (ii) second, directly from all Seller Indemnifying Parties on a several and not joint basis up to an aggregate amount, including the Escrow Amount, of \$1,000,000,000 (the “**General Liability Cap**”).

(b) Claims for Damages made by a Parent Indemnified Person for any claim under this Article IX other than the General Claims shall be recovered solely as follows: (i) first, from the Escrow Fund until it has been exhausted or released to the Sellers in accordance with Section 9.1, and (ii) second, to the extent permitted by Section 9.3(c), directly from all Seller Indemnifying Parties on a several and not joint basis.

(c) Notwithstanding anything to the contrary contained herein:

(i) the Seller Indemnifying Parties shall not be required to indemnify, defend or hold harmless any Parent Indemnified Person against any Damages pursuant to clauses (i) or (ii)(A) of Section 9.2(a) (other than a breach of Special Tax Representations or Special Representations) with respect to any claim (or series of related claims arising from the same underlying facts, events or circumstances) unless such claim (or series of related claims arising from the same underlying facts, events or circumstances) involves Damages in excess of \$2,500,000 (the “**De Minimis Threshold**”), nor shall any such claim or series of related claims that do not meet such De Minimis Threshold be applied to or considered for purposes of calculating the aggregate amount of the Parent Indemnified Persons’ Damages for which the Seller Indemnifying Parties are liable under Section 9.3(c)(ii);

(ii) the Seller Indemnifying Parties shall not be required to indemnify, defend or hold harmless any Parent Indemnified Person against any Damages pursuant to clauses (i) or (ii)(A) of Section 9.2(a) (other than a breach of Special Representations) until the aggregate amount of the Parent Indemnified Persons’ Damages for which the Parent Indemnified Persons are entitled to indemnification under clauses (i) or (ii)(A) of Section 9.2(a) exceeds \$75,000,000 (the “**Deductible**”), after which the Seller Indemnifying Parties shall be liable for all of the Parent Indemnified Persons’ Damages for which the Parent Indemnified Persons are entitled to indemnification under clauses (i) or (ii)(A) of Section 9.2(a) (other than a breach of the Special Representations) that are in excess of the Deductible; but, for the avoidance of doubt, only if such excess Damages arise with respect to any claim (or series of related claims arising from the same underlying facts, events or circumstances) that involves Damages in excess of De Minimis Threshold; and

(iii) the total Liability of the Seller Indemnifying Parties for claims under this Article IX shall be limited to (i) the General Liability Cap for any claims for Damages arising out of, resulting from or in connection with the matters listed in clauses (i) or (ii)(A) of Section 9.2(a) (other than claims arising out of, resulting from or in connection with any failure of any of the Special Tax Representations or the Special Representations to be true and correct); and (ii) with respect to each Seller, such portion of the Aggregate

Consideration actually received by such Seller, for all claims for Damages (inclusive of claims described in the preceding clause (i)); provided, that, any limitation of Liability in this Section 9.3(c) shall not apply in the case of fraud or willful breach by or on behalf of the Sellers or the Company.

(d) Notwithstanding anything to the contrary contained herein, the total Liability of Parent for any claim under this Article IX shall be limited to \$1,000,000,000 for any claims for Damages arising out of or resulting from the matters listed in clauses (i), (ii) or (iii) of Section 9.2(b); provided, that, any limitation of Liability in this Section 9.3(d) shall not apply in the case of fraud or willful breach by or on behalf of Parent or Acquirer.

(e) Notwithstanding anything to the contrary contained herein, (i) no Seller Indemnifying Party shall have any right of indemnification, compensation, reimbursement, contribution or right of advancement from Acquirer, Parent or any other Parent Indemnified Person (based upon such Seller Indemnifying Party's position as an equity holder, officer, director, employee or agent of the Company or otherwise) with respect to any Damages claimed by any Parent Indemnified Person or any right of subrogation against the Company with respect to any indemnification, compensation or reimbursement of a Parent Indemnified Person by reason of any of the matters set forth in Section 9.2(a).

(f) The representations, warranties, covenants and obligations of the Indemnifying Parties, and the rights and remedies that may be exercised by the Indemnified Persons, shall not be limited or otherwise affected by or as a result of any information furnished to, any investigation made by or knowledge of, or any waiver by any of the Indemnified Persons or any of their Representatives.

(g) All Damages shall be calculated net of the amount of any recoveries actually received by an Indemnified Person under any existing insurance policies and contractual indemnification or contribution provisions (in each case, calculated net of any actual collection costs and reserves, expenses, deductibles or premium adjustments or retrospectively rated premiums (as determined in good faith by such Indemnified Person) incurred or paid to procure such recoveries) in respect of any Damages suffered, paid, sustained or incurred by any Indemnified Person. No Indemnified Person shall have any obligation to seek to obtain or continue to pursue any recovery from insurance policies, contractual indemnification or contribution provisions. The foregoing provisions of this Section 9.3(g) shall not in any way limit any Parent Indemnified Person's right to recover under the Escrow Fund with respect to any Damages or limit any Parent Indemnified Person's right to submit a claim for indemnification under this Agreement.

(h) The Indemnified Persons' rights to indemnification contained in this Article IX and Section 10.11(b) shall be the sole and exclusive remedy of any Indemnified Persons for monetary damages in connection with the matters described in this Agreement, other than fraud or willful breach, whether such damages arise pursuant to contract, tort or other theory of law; provided, that, nothing in this Section 9.3(h) is intended to, and nothing in this Section 9.3(h) shall be construed or interpreted to, limit any Indemnified Person's right to equitable remedies or other non-monetary remedies at law, including the right to seek specific performance and/or injunctive relief under Applicable Law, in accordance with Section 10.10 and Section 10.12.

(i) The Seller Indemnifying Parties shall have no obligation to indemnify any Parent Indemnified Persons for Damages in respect of any liability for Taxes described in Section 9.2(a)(vi)(A) through (E) or claim for breach of any of the Tax Representations, to the extent any such Damages (i) are directly and solely attributable to or arise as a result directly and solely from (a) any breach by Parent or any of its Affiliates (including, after the Closing, the Company and its Subsidiaries) of any of the covenants set forth in Section 6.14(l), (b) any elections under Section 338 of the Code with respect to the Share Purchase except to the extent of any action taken by Sellers, on or prior to the Closing, or the Company, which results in the Share Purchase failing to qualify under the Intended Tax Treatment or (c) any election or transaction undertaken at Parent's request pursuant to Section 6.14(h), (ii) are solely in respect of Taxes that were taken into account in the calculation of Leakage, (iii) are solely in respect of Post-Closing IP Deferred Tax Liabilities or (iv) that are Taxes that have been specifically identified by the Sellers through documentation reasonably satisfactory to Parent as amounts taken into account in determining Pre-Closing Taxes calculated for purposes of and included in Section 6.9(b)(vii), and Seller Transaction Taxes calculated for purposes of and included in Section 6.9(b)(vii).

9.4 Period for Claims. Except as otherwise set forth in this Section 9.4, the period (the "**Claims Period**") during which claims may be made: (i) for Damages arising out of, resulting from or in connection with the matters listed in clause (v) of Section 9.2(a) (or otherwise arising out of, resulting from or in connection with Leakage) shall commence at the Closing and terminate at 11:59 p.m. Pacific Standard Time on the date that is nine (9) months after the Closing Date; (ii) for Damages arising out of, resulting from or in connection with the matters listed in clauses (i) or (ii)(A) of Section 9.2(a) (other than with respect to any of the Tax Representations and the Special Representations) or clauses (i) and (ii) of Section 9.2(b), shall commence at the Closing and terminate at 11:59 p.m. Pacific Standard Time on the Escrow Release Date; and (iii) for Damages arising out of, resulting from or in connection all other matters, shall commence at the Closing and terminate at 11:59 p.m. Pacific Standard Time on the date that is thirty (30) days after the expiration of the applicable statute of limitations. Notwithstanding anything to the contrary contained herein, the Claims Period for claims for Damages arising out of, resulting from or in connection with fraud or willful breach by or on behalf of any Indemnifying Party shall not be limited.

9.5 Claims.

(a) From time to time during the Claims Period, Parent may deliver to the Sellers or the Sellers may deliver to Parent, one or more certificates signed by any officer of such party (each, a "**Claim Certificate**"):

(i) stating that an Indemnified Person has incurred, paid, reserved or accrued, or in good faith believes that it may incur, pay, reserve or accrue, Damages (or that with respect to any Tax Matters, that any Tax Authority may raise such matter in an audit of Parent or Acquirer or the Affiliates of either, that could give rise to Damages);

(ii) stating the amount of such Damages (which, in the case of Damages not yet incurred, paid, reserved or accrued, may, if known or estimable, be the maximum amount believed by Parent in good faith to be incurred, paid, reserved, accrued or demanded by a Third Party); and

(iii) specifying in reasonable detail (based upon the information then possessed by Parent) the individual items of such Damages included in the amount so stated and the nature of the claim to which such Damages are related if known or estimable.

(b) Such Claim Certificate (i) need only specify such information to the knowledge of such officer of Parent as of the date thereof, (ii) shall not limit any of the rights or remedies of any Indemnified Person with respect to the underlying facts and circumstances specifically set forth in such Claim Certificate and (iii) may be updated and amended from time to time by Parent by delivering any updated or amended Claim Certificate, so long as the delivery of the original Claim Certificate is made within the applicable Claims Period and such update or amendment relates to the underlying facts and circumstances specifically set forth in such original Claims Certificate; provided, that, all claims for Damages properly set forth in a Claim Certificate or any update or amendment thereto shall remain outstanding until such claims have been resolved or satisfied, notwithstanding the expiration of such Claims Period. No delay in providing such Claim Certificate within the applicable Claims Period shall affect an Indemnified Person's rights hereunder, unless (and then only to the extent that) the Sellers or the Indemnifying Parties are materially prejudiced thereby.

9.6 Resolution of Objections to Claims.

(a) If the Sellers (on behalf of the Seller Indemnifying Parties) do not contest, by written notice to Parent, any claim or claims by Parent (on behalf of the Parent Indemnified Persons) made in any Claim Certificate within the thirty (30) day period following receipt of the Claim Certificate, then Parent and the Sellers shall promptly prepare, sign and deliver to the Escrow Agent a joint written instruction to distribute to Parent an amount of cash from the Escrow Fund having a total value equal to the amount of any indemnifiable Damages hereunder corresponding to such claim or claims as set forth in such Claim Certificate. If Parent does not contest, by written notice to the Sellers, any claim or claims by the Sellers (on behalf of the Seller Indemnified Persons) made in any Claim Certificate within the thirty (30) day period following receipt of the Claim Certificate, then Parent shall promptly pay to each Seller such Seller's Pro Rata Share of the amount of any indemnifiable Damages hereunder corresponding to such claim or claims as set forth in such Claim Certificate, in cash by wire transfer to the Seller Bank Accounts.

(b) If the Sellers (on behalf of the Seller Indemnifying Parties) or Parent object in writing to any claim or claims made by a Parent Indemnified Person or Seller Indemnified Person, respectively, in any Claim Certificate within the thirty (30) day period set forth in Section 9.6(a), Parent and the Sellers shall attempt in good faith for sixty (60) days after the applicable party's receipt of such written objection to resolve such objection. If Parent and the Sellers shall so agree with respect to a claim by a Parent Indemnified Person, a joint written instruction setting forth such agreement shall be prepared and signed by both Parent and the Sellers and delivered to the Escrow Agent. Upon receipt of such joint written instruction, the Escrow Agent shall distribute to Parent an amount in cash from the Escrow Fund in accordance with the terms of such joint written instruction.

(c) If no such agreement can be reached during the sixty (60) day period for good faith negotiation set forth in Section 9.6(b), but in any event upon the expiration of such sixty (60) day period, such dispute shall be finally settled by binding arbitration. The seat, or legal place, of arbitration shall be in San Francisco, California. Such arbitration shall be conducted in English in accordance with the CPR Arbitration Procedure (currently in effect) by three (3) arbitrators appointed in accordance with such rules (the “**Arbitration Panel**”). Notwithstanding the provision in Section 10.12 with respect to applicable substantive law, any arbitration conducted pursuant to the terms of this Section 9.6(c) shall be governed by the Federal Arbitration Act (9 U.S.C., SECS. 1-16). The Arbitration Panel shall allow such discovery as is appropriate to the purposes of arbitration in accomplishing a fair, speedy and cost-effective resolution of the dispute. The award of arbitration shall be final and binding upon the parties hereto. The Arbitration Panel will award to the prevailing party all costs, fees and expenses related to the arbitration, including reasonable fees and expenses of attorneys, accountants and other professionals incurred by the prevailing party, and judgment on the award rendered by the Arbitration Panel may be entered in any court having jurisdiction thereof. The decision of the Arbitration Panel as to the validity and amount of any claim in such Claim Certificate shall be non-appealable, binding and conclusive upon the parties hereto and the Indemnifying Parties, and Parent shall be entitled to instruct the Escrow Agent to distribute to Parent an amount in cash from the Escrow Fund equal to any arbitral award in favor of Parent.

(d) Judgment upon any determination of an Arbitration Panel may be entered in any court having jurisdiction. For purposes of this Section 9.6(d), in any suit hereunder in which any claim or the amount thereof stated in the Claim Certificate is at issue, Parent shall be deemed to be the prevailing party unless the Arbitration Panel determines in favor of the Sellers (on behalf of the Seller Indemnifying Parties) with respect to more than one-half of the amount in dispute, in which case the Seller Indemnifying Parties shall be deemed to be the prevailing party. The non-prevailing party to an arbitration shall pay its own fees and expenses and the fees and expenses of the prevailing party, including attorneys’ fees and costs, reasonably incurred in connection with such suit.

9.7 Third-Party Claims. In the event Parent becomes aware of a claim by a Third Party (a “**Third-Party Claim**”) that Parent in good faith believes may result in a claim for Damages by or on behalf of an Indemnified Person, Parent shall have the right in its sole discretion to conduct the defense of and to settle or resolve such Third-Party Claim and the costs and expenses incurred by Parent in connection with such defense, settlement or resolution (including attorneys’ fees, other professionals’ and experts’ fees and court or arbitration costs) shall be included in the Damages for which Parent shall be entitled to seek indemnification pursuant to a claim made hereunder. The Sellers shall have the right to receive copies of all pleadings, notices and communications with respect to such Third-Party Claim to the extent that receipt of such documents does not affect any privilege relating to any Indemnified Person, subject to execution by the Sellers of Parent’s (and, if required, such Third Party’s) standard non-disclosure agreement to the extent that such materials contain confidential or proprietary information. However, Parent shall have the right in its sole discretion to determine and conduct the defense of any Third-Party Claim and the settlement, adjustment or compromise of such Third-Party Claim. Unless otherwise consented to in writing in advance by Parent in its sole discretion, the Sellers and their Affiliates may not participate in any Third-Party Claim or any action related to such Third-Party Claim (including any discussions or negotiations in connection with the settlement, adjustment or compromise thereof). In the event that the Sellers have consented to the amount of any settlement or resolution by Parent of any such claim (which consent shall not be unreasonably withheld,

conditioned or delayed and which consent shall be deemed to have been given unless the Sellers shall have objected within twenty (20) days after a written request therefor by Parent), or if the Sellers shall have been determined to have unreasonably withheld, conditioned or delayed its consent to the amount of any such settlement or resolution, the Sellers and Indemnifying Party (a) shall not have any power or authority to object under this Article IX to the amount of any claim by or on behalf of any Indemnified Person against the Escrow Fund for indemnity with respect to such settlement or resolution, (b) shall be deemed to have approved the related Claim Certificate and (iii) shall instruct the Escrow Agent to distribute to Parent an amount in cash from the Escrow Fund equal to the applicable Damages with respect to such Third-Party Claim.

9.8 Treatment of Indemnification Payments. The Indemnifying Parties agree to treat (and cause their respective Affiliates to treat) any payment received by the Indemnified Persons pursuant to this Article IX as adjustments to the Aggregate Consideration for all Tax purposes, to the maximum extent permitted by Applicable Law.

Article X GENERAL PROVISIONS

10.1 Survival of Representations, Warranties and Covenants. If the Share Purchase is completed, the representations and warranties made by the Company and the Sellers contained herein and in the other certificates contemplated by this Agreement shall survive the Closing and remain in full force and effect, regardless of any investigation or disclosure made by or on behalf of any of the parties hereto until 11:59 p.m. Pacific Standard Time on the date that is thirty (30) days after the date that is nine (9) months after the Closing; provided, that, the Tax Representations and the Special Representations will survive and remain in full force and effect until 11:59 p.m. Pacific Standard Time on the date that is thirty (30) days following the expiration of the applicable statute of limitations; provided, further, that, no right to indemnification pursuant to Article IX in respect of any claim that is set forth in a Claim Certificate delivered to Parent or the Sellers on or prior to the expiration of such representations and warranties shall be affected by such expiration; provided, further, that, such expiration shall not affect the rights of any Parent Indemnified Person under Article IX or otherwise to seek recovery of Damages arising out of, resulting from or in connection with any fraud or willful breach by or on behalf of the Company or the Sellers. If the Share Purchase is completed, the representations and warranties made by Parent and Acquirer herein and in the other certificates contemplated by this Agreement shall survive the Closing and remain in full force and effect, until 11:59 p.m. Pacific Standard Time on the date that is thirty (30) days after the date that is nine (9) months after the Closing; provided, that, no right to indemnification pursuant to Article IX in respect of any claim that is set forth in a Claim Certificate delivered to Parent on or prior to the expiration of such representations and warranties shall be affected by such expiration; provided, further, that, such expiration shall not affect the rights of any Seller Indemnified Person under Article IX or otherwise to seek recovery of Damages arising out of or resulting from any fraud or willful breach by or on behalf of Parent or Acquirer. Except as required by statute, no terms shall be implied (where by custom, usage or otherwise) into this Agreement. Each party to this Agreement acknowledges that it is not relying on any other statement, warranty, assurance or undertaking made or given by any Person, in writing or otherwise, at any time prior to the Agreement Date, save to the extent it is incorporated herein. Nothing in this Agreement shall limit, release or exclude the liability of any party for fraud or willful breach.

10.8 Assignment. Neither this Agreement nor any of the rights and obligations under this Agreement may be assigned, transferred or delegated, in whole or in part, by operation of law or otherwise by any of the parties hereto without the prior written consent of the other parties hereto, and any such assignment, transfer or delegation without such prior written consent shall be null and void, except that Parent and/or Acquirer may assign its rights and delegate its obligations under this Agreement (including its obligation to purchase the Company Shares) to any direct or indirect wholly owned Subsidiary of Parent or Acquirer without the prior consent of any other party hereto; provided, that, notwithstanding any such assignment, Parent and/or Acquirer, as applicable, shall remain liable for all of its obligations under this Agreement, save to the extent such obligations are fully satisfied and discharged by the assignee. 10.10 Remedies Cumulative; Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party hereto of any one remedy shall not preclude the exercise of any other remedy and nothing herein shall be deemed a waiver by any party hereto of any right to specific performance or injunctive relief. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity, and the parties hereto hereby waive the requirement of any posting of a bond in connection with the remedies described herein.

10.11 Waiver and Release of Claims.

(a) Effective for all purposes as of the Closing, each Seller acknowledges and agrees on behalf of itself and each of its agents, trustees, beneficiaries, directors, officers, controlled Affiliates, Subsidiaries, estate, successors and assigns (each, a “**Releasing Party**”) that each hereby releases and forever discharges the Company and its Subsidiaries, directors, officers, employees, representatives, agents, successors, predecessors and assigns (each, a “**Released Party**” and collectively, the “**Released Parties**”) from any and all Seller Claims such Releasing Party may have or assert it has against any of the Released Parties, from the beginning of time through the time of the Closing and following the Closing, in each case whether known or unknown, or whether or not the facts that could give rise to or support a Seller Claim are known or should have been known, except with regard to its rights pursuant to the Transaction Documents, the ISG Reorganization Documents and the transactions contemplated thereby. In this Agreement a “**Seller Claim**” shall mean any all past, present and future disputes, claims, controversies, demands, rights, obligations, liabilities, damages, suits, actions and causes of action of every kind and nature, including, any unknown, unsuspected or undisclosed claim as a result of any act, omission, circumstance or matter, that has occurred or existing at any time prior to the Closing.

(b) Each Seller, on behalf of each Releasing Party, further covenants and agrees that such Releasing Party has not heretofore sold, transferred, hypothecated, conveyed or assigned, and shall not hereafter sue any Released Party upon, any Seller Claim released under this Section 10.11; and that each Releasing Party shall indemnify and hold harmless the Released Parties against any loss or liability on account of any actions brought by such Releasing Party or such Releasing Party’s assigns or prosecuted on behalf of such Releasing Party and relating to any Seller Claim released under this Section 10.11(b). The parties hereto agree and acknowledge that the limitations on liability set forth in Article IX shall not apply to this Section 10.11.

(c) Notwithstanding anything to the contrary: (i) the foregoing release is conditioned upon the occurrence of the Closing and shall become null and void, and shall have no effect, without any action on the part of any Person, upon termination of this Agreement in accordance with Article VIII; and (ii) should any provision of this release be found, held, declared, determined, or deemed by any court of competent jurisdiction to be void, illegal, invalid or unenforceable under any applicable statute or controlling law, the legality, validity, and enforceability of the remaining provisions will not be affected and the illegal, invalid, or unenforceable provision will be deemed not to be a part of this release.

10.12 Governing Law; Jurisdiction.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of New York without reference to such state's principles of conflicts of law that would refer a matter to a different jurisdiction.

(b) Subject to Section 1.3(c)(iv) and Section 9.6(c), with respect to any suit, action or proceeding relation to this Agreement or the transactions contemplated hereby (each a "***Proceeding***"), each party irrevocably (i) agrees and consents to be subject to the exclusive jurisdiction of the United States District Court for the Southern District of New York or, if for any reason the United States District Court for the Southern District of New York lacks subject matter jurisdiction, any New York State court sitting in New York City and any direct appellate courts therefrom and (ii) waives any objection which it may have at any time to the laying of venue of any Proceeding brought in any such court, waives any claim that such Proceeding has been brought in an inconvenient forum and further waives the right to object, with respect to such Proceeding, that such court does not have any jurisdiction over such party. THE PARTIES HEREBY AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH ANY SUCH ACTION OR PROCEEDING IN THE MANNER PROVIDED IN SECTION 10.2, OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW, SHALL BE VALID AND SUFFICIENT SERVICE THEREOF AND HEREBY WAIVE ANY OBJECTIONS TO SERVICE ACCOMPLISHED IN THE MANNER HEREIN PROVIDED.

10.13 Rules of Construction. The parties hereto have been represented by counsel during the negotiation, preparation and execution of this Agreement and, therefore, hereby waive, with respect to this Agreement, each Schedule and each Exhibit attached hereto, the application of any Applicable Law or rule of construction providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document.

10.14 WAIVER OF JURY TRIAL. EACH OF PARENT, ACQUIRER, THE COMPANY AND THE SELLERS HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF PARENT, ACQUIRER, THE COMPANY OR THE SELLERS IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A)

NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATION OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.14.

10.15 Several Obligations. The parties hereto acknowledge and agree that the obligations of the Sellers under this Agreement, and the Liabilities arising hereunder for any breaches of such obligations, shall be several and not joint. The Sellers' Liabilities, if any, arising hereunder from breaches of any representations or warranties contained in Article III (in all cases subject to Article IX) shall be several and not joint, and shall be apportioned between the Sellers in accordance with their respective Pro Rata Shares.

10.16 Waiver of Conflicts; Privileged Matters. Recognizing that Morrison & Foerster LLP has acted as legal counsel to the Sellers and its Affiliates (including the Company and its Subsidiaries) prior to the Closing, and that Morrison & Foerster LLP intends to act as legal counsel to the Sellers and its Affiliates (which will no longer include the Company and its Subsidiaries) after the Closing, each of Parent and Acquirer hereby (i) waives on its own behalf, and agrees to cause its Affiliates (including, after the Closing, the Company and its Subsidiaries) to waive, any claim they have or may have that Morrison & Foerster LLP has a conflict of interest or is otherwise prohibited from engaging in such representation and (ii) agrees that, in the event that a dispute arises after the Closing between Parent, Acquirer or any of their Affiliates (including the Company and its Subsidiaries) and any of the Sellers and their respective Affiliates (which will no longer include the Company and its Subsidiaries), Morrison & Foerster LLP may represent such Seller or Affiliate in such dispute even though the interests of such Person(s) may be directly adverse to Parent, Acquirer or their Affiliates (including the Company and its Subsidiaries) and even though Morrison & Foerster LLP may have represented the Company and its Subsidiaries in a matter substantially related to such dispute.
